2010 ANNUAL

Time sure flies when your having fun, and boy, didn't summer at Camp Menominee just fly by? I would like to take this opportunity to thank everyone who contributed, in any shape or form, to the production of the Megaphone. Being the Editor was a rewarding role and it's great to see the fruition of all of my, and other various reporters, hard work in the literary masterpiece that is the Annual. The Megaphone would be nothing if it wasn't for the campers who wrote the majority of the articles, be it JEFF GOLDBERG's epic retelling of the CIT's Dells trip, or JACOB BERLINGER's innovative 'profile me' interviewing, ALLEN LEVITAS' dramatic five-part tale of the CIT's adventure in Minnesota, or JAKE GOODMAN, who drew the most insane monsters which now grace the Megaphone office wall. Cheers to all the staff who aided me in my collection of assignments, especially the 'Kawaga Chronicles'. I would like to personally thank the Administration, KOBY, BILLY, BARI, and KATIE for proof reading the Megaphone, lessening the likelihood of a grammatical faux pas making the final cut. A last thanks to STEVE for being extremely helpful and patient, his guidance went appreciated. I do hope you enjoy reading this annual, as it will house many of your memories of the great summer of 2010 at Camp Menominee. Hats Off To Thee!

Yours thankfully,

David Godfrey, Editor

First Day Edition

Monday 21st June 2010

Welcome back campers!!

Steve and Bari Kanefsky and all the staff at Camp Menominee would like to welcome all campers who arrived today. Whether this is your first time at camp or you're a returning loyalist, staff are determined to make your summer as enjoyable as possible. Menominee has an impressive plethora of activities on offer for campers to choose, so let's make the summer of 2010 one of the best yet!

What's new for 2010?

Probably the biggest (or should I say smallest?) new edition to Camp Menominee comes in a diaper and can barely string a sentence together; that's right Steve and Bari have expanded their family by one with the delightful **Eva**. Seven month old Eva has a Nanny in the form of theater student **Corrina Morris**, who says that she will act as Eva's 'jester/big sister'. Menominee has two new resident nurses, **Peter Creed**, who has recently graduated from a nursing school in Puerto Rico, and **Andrew Knee**, who has been nursing for 19 years. Both nurses are excited to be working at Camp Menominee. Another exciting installment for camp is the new program director **Billy Heisler**, who's currently enjoying his 13th summer at a camp, the others being Eagle Hill and Timberlane. A new position has been created for 2010, for Head Counselor, and that's been filled by Menominee veteran **Koby Stern** who is 'thrilled' to be spending his 14th summer in the North Woods. Another brilliant acquisition for camp this year is **Thomas C. Adler**, who is the Associate Director and has 40 years of being in the camping business under his belt. Last but definitely not least, Menominee has two new cooks **Timothy** and **Mike**, who will be serving you brilliant meals all summer long.

Your Editor this summer

Hi my name is **David Godfrey** and I'm from **Liverpool, England**. I am going to be working the Megaphone and the climbing wall this summer and I'm truly excited to be working at such a dedicated and fun camp. Stories and reports from campers and counselors will be embraced with open arms, the Megaphone is an ideal platform for you guys to tell your story about time at camp. You will find me in the Megaphone office and Cabin three this summer.

Father and Son weekend

As is tradition at Camp Menominee, before the summer camping season gets underway, fathers and sons journey to the North Woods in search of fun and spirited activities. They were not disappointed. Dads and their lads enjoyed a range of sports and games; from the hilarious Capture the Flag, Softball and Kickball, to the lively game of Dodgeball. Friday night saw campers make their own messy, but delicious, smores at the campfire. Saturday night was a reflective affair, with **Koz** shining in the limelight with his guitar at the campfire, and the amazing firework display on the waterfront. To end the weekend, campers enjoyed top nosh at a Chinese buffet restaurant. **Chase Weiman**, aged 9, thought time spent at camp with his dad was 'awesome' especially the riflery activity. Nine year old **Jake Goodman** said: "Zip lining was cool and the Tubing was scary but fun!"

'ello Guv'na ooooo

Director **Steve Kanefsky** is confident that the summer of 2010 at Camp Menominee will be a blast: "We have a great administration team, the golf course has been expanded and Tom has refurbished numerous cabins." Steve thought the turnout for Father and Son weekend, which was 65, was amazing and his favorite moment was when everyone gathered around the campfire and reminisced about their weekend. Steve had wise words for first time campers who may still be unsure about camp-life: "Camp Menominee offers (literally- Ed) a breath of fresh air from the real world, forget about it and have a wonderful time." When asked what makes Camp Menominee the best camp in the North Woods, Steve swiftly replied: "The family atmosphere". And it's the family atmosphere at Menominee which embodies the ethos of the camp so let's have some FUN!

A big thank you to...

All staff who helped with the clean-up operation of the camp. Those who scrubbed and cleaned the cabins and sport areas in preparation for the campers, should give themselves a hearty back-pat for their efforts. Especially those who came out a few weeks in advance, such as **Conor McLoughlin**, **Richard Pillinger** and many others.

Pearls of Wisdom

It would be safe to bet that this summer's weather is going to be HOT! Thus, a lot of water drinking and sun-block applying would be wise. Remember: **Hydrate or Die!**

The Fab Four

All remaining campers arrived yesterday at Menominee to be greeted by immense cheering by the rest of the camp. They made their way to Wasserman Hall to be told their Cabin number and to meet their counselors. Once they were fully settled in their cabins, it was time to make their **FINAL FOUR** activity choices and register for the competitive leagues. The leagues names are as follows: **Bear, Buffalo, Jayhawk, Longhorn** and **Tiger**. The rounds for the activities are called **Duke, Butler, West Virginia** and **Michigan State**. Even though healthy competition is an important foundation of camp, here at Menominee we also equally uphold the principle of good sportsmanship. So remember that campers when you're out doing your activities.

Candy Mania!!!

What an eye-opener! Sugar consumption at its greatest. When Steve announced that all campers should take all their food and drink, aka candy, to Wasserman Hall we knew that something sugary was about to go down. Steve gave campers eight minutes to obliterate their foodstuff. The party aspect boiled down to glucose-induced wide eyed campers bouncing around the hall in search of their next candy fix. Great fun! Seven year old **GAVIN BRAMWIT** brought a bag full of candy nearly as big as himself. Counselor **RICHARD WILSON** generously handed out copious amounts of the finest English Asda Price chocolate. **ZACHARY SCHWARTZ**, aged ten, gave his view on the sugary spectacle: "It was awesome! I ate so much I ended up spitting out Doctor Pepper jelly beans!" The ulterior motive of this Candy Party, was to rid the cabins of food and drink, which as we all know, attract the most vulgar bugs and vermin. So campers; keep your cabin clean and bug-free!

Hmmm.....?

On June 22nd:

- **1633**; The Holy Office in Rome forces Galileo Galilei to retract his view that the Sun, not the Earth, is the center of the Universe
- **1969**; American Actress/Icon Judy Garland died.
- **1976**; The Canadian House of Commons abolished Capital Punishment
- **2003**; The largest ever recorded hail-stone falls in Aurora, Nebraska.

Birthday Wishes

Happy Birthday to **ALEXANDER DUDEK** who turned **12** today.

The Camperbury Tales

My name is **JAKE** and I'm from Deerfield, Illinois. I was here for Father and Son weekend and had a great experience spending quality time with my dad. I also met two really nice friends named **GAVIN BRAMWIT** and **ELI**. When the weekend was over, our fathers left and camp started. I was assigned to cabin three with my brother **JOSH**, and there I met other cool friends, **SEBASTIAN MARTIN**, **CHASE WEIMAN**, **BRETT WEISS**. The fun was about to begin!

The Good, the Okay and the Dirty

Let's start with the positives; The vast majority of campers did a good job getting up this morning for breakfast, which is optional, but highly recommended. Also, those campers who hadn't been tested for their swimming, were brave for jumping into the lake this morning. Remember campers, the weather in the North Woods is getting hotter and hotter, let us not give creepy crawlies an easy ride with cabin untidiness.

It's all about the activities

By **ELI BERNICK & SAM ENGEL**

As activities are well and truly underway here at Camp Menominee, we wanted to place our ears to the ground and hear what campers thought of their Final Four activity choices. **JACK LAZAR**, cabin 18, thinks Volleyball is good fun, he said: "**ROBBY APPELBAUM** is a great instructor. He taught me how to set and serve the ball really well." **MATTHEW DeCARLO**, cabin 15, enjoyed playing basketball today with counselor **SAM LAZAR**, he said: "Basketball is good fun, I learned new ball-handling skills from my instructor."

SONG AND CHEER NIGHT

By **JACOB BARSTACK and JONAH WEISS**

The first campfire of the official camping season was off to a rocking start led by the Senior Cabin. After being called down to Klein Grove, the Menominee Men put down their cleats and brought out their musical side. Skinny and tall himself, **KOBY STERN**, led us in the Menominee Medley with the old-timers such as **COREY PASCAL**, **KEVIN DANN** and **DANNY CHAIMOVITZ** leading us in some of the less-known CM songs. After we were all tuned out, the Senior Cabin started to lead cheers. After some *Alevo's*, *oogies*, and *itzus*, yours truly, **JONAH WEISS**, stepped up to the plate and led *skat-doo*. **DAVID "Bobby Flay" BLECHMAN** flaunted his loud side by leading a *boom-chicka-boom*, then everyone thought the night was over. But they wrong;

before Steve could even get a word out of his mouth, the leaders of the camp were called up for an encore. After having zero practice, **JACK LAZAR** stepped up for a *went down to the river* cheer. This got everyone even more pumped. After our last two bits, it was time to hit the sheets. Huge thanks goes out to **JOSH "Rose Rose" ROSENBLAT** who organized the Senior Cabin cheers.

Green Canteen Goblin strikes again!

By CHASE WEIMAN

So last night, as we all know, was Canteen Opening night! The people working the canteen were **RICHARD NAGLE, DANNY CHAMOVITZ, and NAT ROSEN**. All campers; Juniors, Intermediates and Seniors had to all line up at the same time. Everyone had a blast of sugar and everyone had fun! However, the legendary Green Canteen Goblin came to steal campers' candy, but he was taken out by force. Though I fear that's not the last attack were going to see, as the Green Canteen Goblin swore he'll be back even more determined... and even more green!

Canteen anyone?

By DAVID BLECHMAN & JOSH ROSENBLAT

Benjamin Franklin was once rumored to say; 'The true identity of man is revealed when one stuffs his face with delicious sweets.' This position is exemplified on the eve of June 23rd. After a ridiculous display of what not to do by the Green Canteen Goblin, canteen 2010 was underway. **BRETT DAVIDSON** started off canteen as numero uno on the canteen list. **MAX LINDZON** said:

'Canteen is sweet! What would I do without it?' Canteen is a great way to refresh after a hard day on the pitch, softball diamond, or any realm of sport. Hopefully canteen 2010 will be a great experience and the campers will not abuse this wonderful privilege.

Zip away!

By THE EDITOR

Program Director, **BILLY HEISLER**, introduced another one his brilliant games yesterday evening: and he named it **Zipper**. The object of the game is to get yours and the other team's assortment of sporting balls into a designated goal. The results are as follows: **KOZ'S TEAM** lost to **KANEFSKY'S TEAM** and the **CITs** **WON** against the **SENIORS**.

When chairs turn musical

By the EDITOR

Yesterday evening saw campers assemble in Mess Hall for an indoor favorite: Musical Chairs. Campers displayed great enthusiasm for the classic party game. The first round was dominated by the Seniors and CITs, and everyone thought it'd be over for the younger members of camp, until **SEBASTIAN MARTIN**, aged 8, shocked everyone with his musical chair skills. It was like his butt was magnetically connected to the chairs. Thus, Sebastian eventually won the second

leg of the game and won a neat Menominee branded back pack. When round three commenced no one was fooling around; campers were playing to WIN! One little man entered round three as the epitome of an underdog, seven year old **GAVIN BRAMWIT**. Though, like Sebastian, his deceiving size fooled everyone, as Gavin amazed spectators with not only his agility but also his funky dance steps. It was now the last two, Gavin & **TYLER FLANZER**, of cabin 12 fame, and **KOBY STERN** decided he would shake it up a bit by asking **NATHAN FREIFELD** to play the piano instead of using the stereo for music. It was an intense showdown, and it looked like Tyler had the advantage but just as the music stopped he fell over, giving Gavin the

opportunity to sit down and win! The chair Gavin was sitting on turned into his throne as all campers clapped and cheered around him in a circle. Gavin received sports cards for his efforts. It was a great night and all campers should congratulate themselves for showing excellent sportsmanship.

The Camperbury Tales

By **ZACHARY SCHWARTZ**

Everyone is excited that camp activities have officially started, but campers will get even more excited when Menominee starts it's 2010 Twilight League! The Twilight League is softball, and if you're lucky you may get to the chance to play the game with a 16inch softball! Two nights ago, we had our first Canteen Opening and the Green Canteen Goblin tried to steal some candy. But our guards saved the day!

Today's Activity News with.....

JAKE GOODMAN

Today during Megaphone period I decided to go around camp and report on how camper's activities are going. **CHASE WEIMAN**, age 9, told me: "Arts & Craft is fun as there's lots of different supplies to use." Another art enthusiast, **MAX SHAPIRO**, age 11, also said he was having a fun time and that he was trying to improve his art skills so he could make himself something good. I caught up with **BEN DAVIS**, age 10, at the Riflery range and he said that the targets were hard to hit and that he learned to shoot a rifle today. That's all the activity news for today campers, there's more coming soon.

Twilight league Edition

Friday 25th June 2010

Twilight League is back!

By **JONAH WEISS** and **JACOB BARSTACK**

We bled green. He came. With **JAKE HOCKMAN** as the senior Twilight League commissioner and all the Arizona captains, **SAM ENGLE**, **ELI BERNICK**, **JACOB BARSTACK**, and **JONAH WEISS**. After the teams were announced, we headed on out to our fields. On Diamond Two, Weiss' team faced off against Bernick's team. In a great pitchers duel between **ANDREW BLECHMAN** and **JACK LAZAR**, ending in both of them striking each other out of the game.

With great defense at shortstop by **ALEC BERGER** and great hitting by **JEFF GOLDBERG**, Jonah's team prevailed by winning 6-1. On Al Lewis field, Barstack's team squared off against Engel's team and had a game for the record books. Impersonating the tennis match that Isner had at Wimbledon, this was a marathon game that lasted 10 innings. Lucky Canteen Number is twenty-four. In each extra inning, one run was scored between each team until the top of the 10th inning when **IAN MILLER** and **NATHAN FRIEFELD** both hit home

runs for Jacob's team. With

DAVID BLECHMAN taking care of business on the mound, Barstack's team won by two.

An extra dollop of Twilight

By **CHASE WEIMAN**

Yesterday evening Twilight league started and the junior matches were team cabin one and three versus team cabin two and four. The teams that won were three and four. The whole thing was very exciting.

Drop the egg!

By **ZACHARY SCHWARTZ**

Last night we had our first egg drop of the camping season. The concept is that each cabin is given an egg and then they have 30 minutes to wrap the egg in natural products to protect it for when it is dropped from the top of the climbing wall. The cabins that have a surviving egg after it's plummet, gets a pizza party! The winners were cabins three, fourteen and six.

A history lesson with.....

JOSH ROSENBLAT and **DAVID BLECHMAN**

Today's date, June 25th for those who are not paying attention, has housed many significant historical events. Such as the battle of Vezerance in 524AD, where the Franks defeated the Burgundians. Today also marks the passing of Pop music legend Michael Jackson yesteryear. Many influential sporting people were born on this day, for instance, Aramis Ramirez (of Chicago Cubs fame) in 1978 and American Footballer Charlie Davis in 1986. Along with births came the deaths of important figures such as Hungarian Mathematician Cornelius Lanczos in 1977.

Rookies rocking it at CM

By the **EDITOR**

Yesterday in Wasserman Hall, **Steve Kanefsky** introduced three new rookies who will be staying with us at Camp Menominee for the next couple of days. Their names are **LOGAN ROSENGARD, BRADLEY GOTTLIEB** and **JOEY SHAPIRO**, all aged 8 and staying in cabin three. So campers; let's show them camp hospitality and Menominee spirit and make these guys feel at home. I'm positive they're already loving it here!

The Feudal Edition

Saturday 26th June 2010

Our survey said

By **JACOB GOODMAN**

Camp Menominee did not let the rain ruin the evening group activity last night as it played host to an ultimate tournament of **Cabin Feud** in Wasserman Hall and Mess Hall! The rules of Cabin Feud are: each team are posed with a theme, and then they have to give answers associated with that theme, and only the most common responses get points. Cabins competed to get a prize and the winners of Wasserman Hall were; cabins three, seven and fourteen. **DAVID MUNZER** was the host and he had two green assistants called **Thing One** and **Thing Two**, who provided the sound effects when someone gave an incorrect answer. One theme that dumbstruck a lot of campers was: 'types of popular modes of transportation around camp'. To which **ETHAN WEISS**, of cabin fourteen, humorously answered 'magic carpet'. Cabin three came third and won a movie and popcorn night in the lodge. Second place went to cabin seven, who won a pizza party. The grand prize winner was cabin fourteen, who won an ice cream party! Thanks to all those who took part, and the counselors who organized the game and ensured it was enjoyable and funny.

Activity News with.....

CHASE WIEMAN and **ZACHARY SHWARTZ**

Camp yesterday was abuzz with activities; so we set out, with our clipboard and pen in hand, to investigate campers' fun levels. **JOSH GOODMAN**, age 9, said: "Volleyball is fun, I've played with a harder ball but this one still hurts!" Another lover of volleyball, **COLE**

NEUMAN age 15, informed us that he learned today how to bump, spike and serve the ball.

We caught up with **BRYAN BENNIS** at the tennis courts and he said: "I enjoy tennis, today I learned to use a forehand shot." Today's Lucky Canteen number is

11. We walked to the climbing wall and found **JACOB GOODMAN**, who told us that he enjoys climbing even though it's hard for him to do. That's all the activity news for today campers; we'll be back with more soon!

Now Showing: Commercial Night

By the **EDITOR**

Yesterday evening Wasserman Hall played host to a returning Camp Menominee classic—Commercial Night. **JAKE FREED** was our host, and the judging panel consisted of two Brits, **JASON MOTT** and **ANDREW SCHOFIELD**. They had their claws out and focused on each cabin's skit on the principles of creativity, humor, taste and participation. Each cabin was assigned an item for their skit and it was up to campers and counselors to practice and polish their performance. Every cabin should congratulate themselves for the effort and thought they put into their skit. However, there were three winners from each division. Cabin Three won in the Junior Division with their commercial in which they were trying to promote Associate Director Tom Adler. **BRETT WEISS** donned a sunglasses and baseball cap combo and presto, he transformed into Tom. Congratulations to **GAVIN BRAMWIT, JAKE & JOSH GOODMAN, SEBASTIAN MARTIN** and **CHASE WEIMAN**. Cabin Six won the Intermediate Division for their sketch *Things to do with a Softball*. So congratulations to **MATTHEW BUTLER, ANDREW DAVIS, DYLAN DEMAKOS, JARRETT MIKKELSEN** and **LEVI SCHULMAN**. The Senior cabin was successful in their division, fending off stiff competition from the CITs, with their hilarious *Steve's Motorcycle* skit. So well done **JACOB BARSTACK, ELI BERNICK, DAVID BLECHMAN, SAM ENGEL, JACK LAZAR, COLE NEUMAN, DAVID RIBOT, JOSHUA ROSENBLAT** and **JONAH WEISS**. After all the skits were done, Wasserman Hall was still abuzz with laughter; thanks to everyone who put on a great night for camp.

Cookout • Eat in

THE MENOMINEE WAY

Camp Menominee has a ton of traditions and customs, but few enable cabins to bond and spend some quality time together as much as Sunday Cookout. Campers and counselors excitedly got dressed in protective clothing, collected their shovels and rakes and ventured into the woods in search for a site for their cookout. Some cabins restored existing sites, while others were determined to create a new site with branch walls and log seating. It was also up to each cabin to decorate their site with banners and signs, thus a lot of campers flocked to the Arts & Craft workshop. **SEBASTIAN MARTIN** and **JAKE GOODMAN**, of Cabin Three, really enjoyed retrieving branches for their site and acting as lumberjacks. However, due to unsuitable weather conditions, campers enjoyed their hot dogs and potato chips inside the Mess Hall. Though no one would let the weather get them down; campers just concentrated on digging in to their delicious grub. Today's lucky canteen number is 37. After munching their hotdogs, it was time for Sundaes on Sundays; campers had a bowl of ice cream with the option of topping it with chocolate syrup, cream, caramel and strawberries. I think that Sunday Cookouts are definitely here to stay.

Last night was the first 'The Way' ceremony of the camping season. Everyone had to walk in respectable silence to a field, where a campfire was burning, and

huddle together till **STEVE** arrived. Steve, wearing a Native American headdress, explained to the first-timers at camp what the ceremony was all about. The headdress symbolizes the spirit of the Menominee tribe, and anyone who receives an arrowhead do so as they have shown the right attitude. Campers and counselors who received an arrowhead are as follows; **ZACH SCHWARTZ, GAVIN BRAMWIT, MAX SHAPIRO, ELLIOT REIBMAN, JONAH WEISS, MAX LINDZON, JASON MOTT** and **ANDREW SCHOFIELD**. Well done fellas!

We're three down &

As you already know, the three rookies left camp yesterday morning homeward bound. **BRADLEY GOTTLIEB, LOGAN ROSENGARD** and **JOEY SHAPIRO** loved it here at Camp Menominee and we were all sad to see them leave. But don't worry; I'm sure they'll be back.

The Al Lewis Edition

Tuesday 29th June 2010

So what did you do?

By the **EDITOR**

Yesterday was Al Lewis day at Camp Menominee, which basically means that campers can organize their own schedules; they just need to find a counselor and choose an activity. Simple. **SAM HUNT**, of Cabin Five, went on a fishing adventure with **HERBIE**, **BARI'S** grandfather. He said: "Herbie was real nice and informative. I caught a perch fish and **JOSH GOODMAN** caught a sunfish. I thought the trip was really fun and I hope to go on one again." Another Cabin Five camper, **BEN DAVIS**, spent his free time with all his pals playing a game called **Sugar Rush**. Ben explained the rules of this game to me: "It's sort of like tag, except there

were a lot more people tagging than being tagged. The safe zone was Wasserman Hall, but if you are seen in there you have to immediately move." **BRETT WEISS** and **GAVIN BRAMWIT**, age nine and seven, spent some time on the Dunleavy basketball court with counselor **RICHARD NAGLE**. Richard was teaching the campers how to dunk the ball and Gavin said: "I thought dunking was fun. Nagle lowered the hoop so I could throw the ball in easily." Today's Lucky Canteen number is 94.

Two evenings ago was Commercial Night in Wasserman Hall, and I enjoyed watching all the cabins' performances. At first I thought practicing with my cabin was boring, but I soon realized it was a good idea and ultimately, our skit went down well with fellow campers.

BRETT WEISS played as **TOM ADLER** well, he really pulled off his look. We deserved to win the Junior Division though everyone did an excellent job. I think that the Senior Cabin's commercial was really funny and I

look forward to their next skit.

Menominee Trips UNCOVERED!

By **JAKE HOCKMAN**

There aren't enough words to describe the white water rafting trip. If I were to choose three, I would say that it was: fun, exhilarating and Harry Behm. We embarked on our voyage on a cold Monday morning. **DAVID BLECHMAN's** face was glowing with excitement. After a long car ride, we arrived at the Wildman Ranch. We began our day with rafting on five different rapids. You could hear the screams of **ELI BERNICK** and **JOSHUA ROSENBLAT** for miles, but it was apparent that they were having a great time. Counselors Jake Hockman and **CONNOR McCLOUGHLIN** constantly fell out of their rafts and experienced a near death experience but laughed about it later. After the first day, 'Blech Daddy' was the only one who didn't fall off. **SAM ENGEL** also swam the last two miles of the river. Tuesday was dubbed 'Rafting Act Two'. **JONAH WEISS** was sitting on the edge of his seat the entire van ride, while **COLE NEUMAN** was taking his daily cat nap to stay calm and collected before we encountered the rough rapids of the Menominee river. When we first viewed the rapid **JACOB BARSTACK** was very nervous

but after a few words of wisdom from the intellectual **DAVID RIBOT** (who sat in the first row), Jacob was ready to go. We went down the rapids, and the screams of **JACK LAZAR** could be heard all the way to Deerfield, but he was excited to do them a second time. He was lucky enough to find a helmet that fit him. After being stuck on a rock for ten minutes, we began the third part of our journey to Green Bay. We checked in at the hotel, swam a little, and then headed to the Appleton Mall. We all shopped for a few hours and when we all regrouped, Eli Bernick stared at the vast array of shirts that 'Laze' had purchased and asked the question: 'Oh you fancy ha?' Continued; please turn over.

We grew very fond of Applebee's that night after asking the waitress questions such as 'Are you a Bears fan' and 'oh you fancy ha?'. The next day was our journey to the legendary Lambeau Field. Even though our group consisted of Bears fans, Cardinals fans, Eagles fans, and some team from Ireland that none of us could even pronounce, we were still excited to receive the Lambeau experience. We toured the stadium and even went on the field. Overall, the trip was awesome because we went white water rafting, went to Lambeau Field, and ate a lot of burgers at Culver's. It's a shame we could stay longer.

Twins! Twins! They were the first noises heard from the boys from Menominee in the Twin Cities! After the four hour trek we arrived with **CHRIS COURTS, ELLIOT REIBMAN, AUSTIN MALLER, JACKSON HARRIS** and myself. We set off to the new Target field for the Twins

game where some players become legends. The next day we

set en route to Valley Fair Mall of America where we go to the famous Hooters, and finished the trip off with a late - night movie. Overall, it was a great trip and I'm envious of the people who get to live this experience next year.

Cabin Five set off on Wednesday afternoon for the much anticipated canoe trip. After a choppy start of canoeing over to the campsite, the campers' tent was quickly put up, only for the counselors tent to take 30 minutes! After Koz cooked the hotdogs, the camp fire was lit ,s'mores were shared among the campers, and which camp fire stories were told.

Campers and counselors were woken early to a breakfast of eggs and bacon by culinary extraordinaire Koz. After cookies and juice all campers set off singing songs and canoed back to camp just in time for lunch. Many thanks to all of Cabin Five for an awesome trip.

When two tribes go to war..

Versus

By the EDITOR

Britain and America, they can be the greatest of allies but also the most fierce of enemies. Yes campers it's time for another Menominee classic tradition; **British** and **American!** It all started during flag raising this morning; the Brit counselors were nowhere to be seen. Then after **STEVE** started to yell for them over the speaker, the rowdy Englishmen burst out of Wasserman Hall brandishing cricket bats. Chaos ensued and war was declared.

After everything had calmed down, campers then gathered in Wasserman Hall for the selection process, in which each camper had to take a colored chip from a sack. A **red chip** meant you are on the British side and a **blue chip** signified you are on the American side. Each division was assigned a Team Leader and they are as follows:

Junior Division: **JOSH GOODMAN (USA) & JAKE GOODMAN (UK)**

Intermediate Division: **COLIN BESH (USA) & JOSHUA LANSKY (UK)**
REID KANTER (USA) & JAKE ZWEIG (UK)

Senior Division: **JACKSON HARRIS (USA) & AUSTIN MALLER (UK)**
ELI BERNICK (USA) & JACOB BARSTACK (UK)

So whether you salute the Star Spangled Banner or you're loyal to the Union Jack, play fair campers and have fun!

Birthday Wishes

Happy birthday to

The opposing forces are going to compete in the following games. The results will be published tomorrow: **Captains Duel**, **Creatively capture the energy source**, **Tug of War**, **Dizzy Izzys**, **Wheelbarrow races**, **Power dipping**, **Sweat shirt relay**, **Potato on a spoon** and **Fill the canoe**.

Menominee trips EXPOSED!

By **JASON MOTT**

On Monday, **KOZ** picked up the campers and counselors of cabins 14 & 15, then we drove to Eagle River where we started off our journey. In five canoes we paddled down the river for two hours to where we came across our first campsite of the night. Once we arrived at our camp we put up our tents and headed to Deenoyers for a whole load of pizza, finished by s'mores at the camp site.

Tuesday began with Koz cooking bacon & eggs, just what we needed after an uncomfortable nights sleep. The next four to five hours consisted of strenuous paddling through the windy river then pushing the canoe through the shallow waters and missing rocks. Thanks to the chefs for making the sandwiches and providing the lunch. After a tiring day we finished off with two sessions of competitive go-karting where **SCHULZY** seemed to take a nice Sunday drive. Then back to the camp site for dinner, smores and jokes.

The last day started with Koz making another great breakfast of pancakes and muffins. Followed by our last part of canoeing which provided fun down the few rapids we had. Special thanks goes to Koz, **TOM ADLER**, **JON LORBACH** and **ADAM AIN-SCOUGH** for the lifts.

Wet and Wild in the Dells

By **NICK NOFTZ**

Departing Monday at 8.00am as five counselors and 14 campers we headed for the Midwest Disney Land; the Wisconsin Dells. After the three hour drive through Wisconsin we make it to our destination of our motel called the 'Mykonous'. For a motel, it was quite beautiful with cable television and a shower in the room. After we unpacked we then unloaded the cars and sprinted to Mt Olympus water park. After we rode the Poseidon and had a nice relaxing trip on the lazy river, we headed back to the motel for some food and to change clothing. For cabins 10 and 12 the late night activity was that we rode 'Hades', a 70mph roller coaster! For the next morning the cabins rocked Noah's Ark water park all day till four pm. Everyone got to ride almost every attraction including the Black Anaconda, which was the group's favorite. After Tuesday day, dinner at Unos restaurant was amazing. Then after a great Deep Dish Pizza we went to the 'greatest show on H2o'; the Tommy Bertleft Show. It showed the children the skill that is needed; to pull off those tricks. After the amazing show we left for the motel. On our last day we decided to hit up Hades again. Although the park attendants said it was broken and would be for the remainder of the day, so we rocked the go-karts instead with the majority of the winners being Cabin Ten. Finally, we set off for another three hour drive back, in which the campers got a good nap and a lifetime of memories of their Wisconsin Dells trip.

IT'S ALL ABOUT THE COMPETITION

By the EDITOR

Competition is upon today campers and it comes in the form of Camp Timberlane. Menominee will be competing against them in the following sports; **Tennis, Baseball, Soccer, Archery, Ultimate Frisbee, Basketball and Riflery**. Campers under 12 will be staying at Menominee to compete while the 13 and over crowd will be venturing to Camp Timberlane to partake in the activities. Let's show Timberlane the Menominee way; that we're competitive but also that we project good sportsmanship.

Name that Tune

By the EDITOR

Last night was supposed to be all about fireworks and girls at Camp Marimeta, however due to inclement weather, it was all about the naming of tunes. And we go to Marimeta tonight; so we get both! Each cabin strolled into the Mess Hall with their musical senses twitching. **CONNOR McLOUGHLIN** and **DANNY CHAIMOIVITZ** were ready serve people musical pie as they are Menominee's' resident Disc Jockeys. Some song choices were suspect, but that's the fun of the game; trying to locate in your mind the song title and artist of obscure music. And for extra points; the album the song came from. As is natural in most human beings, music makes us want to dance, and there were some eye-opening moves being displayed by both campers and counselors last night. **GAVIN BRAMWIT** and **CHASE WEIMAN**, both Cabin Three, shamed most of the older kids with their funky gyrations and hip movements. The dancing got so crazy, Gavin even metamorphosed into a groovy worm a couple of times. In the end, like most things in life, there has to be a winner and this time it was Cabin 9. So congratulations **JACKSON HARRIS, AUSTIN MALLER, ELLIOT REIBMAN, CHRIS COURTS** and **KEVIN DANN**. Your musical knowledge is without parallel here at Camp Menominee.

NRC!

By **MAX SHAPIRO**

The start of British-American was fun, especially the game of Creatively Acquire the Energy Source. The premise of the game is that you are assigned a number then when your number is called out you have to run as fast as you can to acquire the energy source. Today's Lucky Canteen number is 47. I remember **JEFF GOLDBERG** was really fast and so was **JOSH LANSKY**, who tagged someone twice his size. I can't wait for the rest of the British- American activities.

Rule Britannia!

On the

same day that America won its independence from the British Empire in 1776, it was announced that the Brits defeated the Americans at Camp Menominee in 2010. Oh the disgusting irony! Congratulations to all who took part and the team captains, in particular, **JAKE GOODMAN, JOSHUA LANSKY, JAKE ZWEIG, AUSTIN MALLER** and **JACOB BARSTACK**.

How about that ride in....? part One

By **JEFF GOLDBERG**

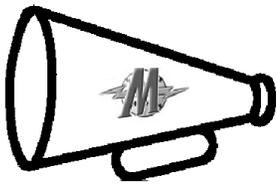

When I was assigned to write this article many ideas came to my mind, the first being 'wow what an awesome trip', the second was 'wow **JED "The Rock" STONE** is jacked'. The car departed from the Friendly Confines around 9.54am and four minutes later the first chorus of 'Chang Chang Chaaaang', sponsored by Aretha Franklin's *All you Can You Eat Buffet*, was heard. After a solid three and a half hour car ride, and a stop at Culvers, we had arrived at the famed Wisconsin Dells. **ALLEN LEVITAS** was heard saying "This is like Vegas only better and more wet'. We arrived at the Hotel Rome convinced we were actually in the golden age of the Roman Empire, **ZACH TAUB** swore he saw Julius Caesar himself. After settling into the beautiful Mykonos hotel, **BARI KANEFSKY** said it was like her second honeymoon. After some serious sunscreen applying we headed off to Mount Olympus ready to get wild and wet.

Myself, **MILES BEAUSEIGNEUR, CAMERON RUBIN**, Jed Stone and Allen Levitas took the pseudonym: "C.J Jam, The Youth National Rowing Team'. This helped our chances when we spotted a 9 and an 8. We almost had our way with them, but then they had to spend the day with their brothers. This didn't dash our day as we rode all of the fun rides in the park. We went back to the hotel for a splendid supper of Uno's Pizza. The Chicago style pizza reminded **ADAM "Say it ain't so" AINSCOUGH** of sweet home Chicago. We then went back out to Olympus to ride some go-karts; think about the smell of gasoline and multiply that by 30 and you have the smell that came from those karts.

After some serious paint rubbing we had to return to the hotel for an hour, before the park reopened for rides after dark. For the most of us we went to Dairy Queen, but Zach Taub stayed back with **ALEC BERGER** to text their girlfriends. We all went back to the park at 10.30pm for some serious rollercoaster riding. After conquering Hades and Zeus, literally, we headed back to the hotel and saw our brothers in the green Ford Fiesta. After conversing with them briefly, we hit the hay early in preparation for what could of have been the best day, ever. Part Two coming soon.

Third Tuesday Edition

Music to my ears

By the **EDITOR**

The North Woods experienced another torrential downpour last night which meant campers had to change their plans. The social at Camp Marimeta was postponed however that didn't mean that every camper was forced to their bedrooms long faced and miserable; no that's not the Menominee way. Instead **JAKE HOCKMAN** devised a brilliant Song Night. After the game was announced each cabin was given 45 minutes to choose an existing song, change the lyrics to the theme of Menominee life, and practice their performance. After a grueling practice session, everyone was called into Wasserman Hall. The judges chosen to scrutinize the performances were **SAM LAZAR, MAX FORMAN** and Jake Hockman. Cabin Three's rendition of Survivor's classic "Eye of the Tiger (Menominee)" won them the Junior Division. Cabin Eight won the Intermediate Division with their remix of "I've got a feeling" and Cabin 13 won the Senior Division with the hilarious "Come on Schulzy". Thanks to all those who put the effort into their performances and the counselors who organized this great event.

Menominee victorious *Stop or I'll squirt!*

As you already know, Camp Menominee competed against Camp Timberlane yesterday in a variety of sports. I'm glad to announce that Menominee defeated Timberlane outright. The 13 and over age category won every event and the 12 and under won the majority of their events. Today's Lucky Canteen Number is six. Congratulations to all those who took part and the counselors who organized the competition.

By **MICHAEL MALIS**

The Squirt Gun Fight we had a couple of days ago started off with the British going to the way side of the golf course and the Americans at the near side. It was a slow game at first but it quickly sped up. If you were squirted you had to go to goal with your hands on your head. The end score was that there were 3 British squirters left and 15 American squirters left. **JONAH WEISS, MAX SHAPIRO** and **BRETT DAVIDSON** were the only Brits still left on the field. The joke of the game was that since we used ketchup bottles for water guns, we would use water guns for the ketchup bottlers for dinner.

Do you want to Duel it out? By TAYLOR BEAUSEIGNEUR

The spirits were high during the very first event in the battle between the British and Americans. That's right, it was the Captains Duel! It was surely a wet and wild event as captains from each side battled with water balloons to soak each others clothing. At the end of each round, the driest captain came out victorious. Captains and also brothers, **JOSH** and **JAKE GOODMAN**, battled it out followed by **COLIN BESH** and **JOSH LANSKY**. **REID KANTER** was then pitted against **JAKE ZWEIG**, **JACKSON HARRIS** against **AUSTIN MALLER**, and finally, the overall Team Captains: **ELI BERNICK** against **JACOB BARSTACK**. The crowd was cheering and on their feet. **NOAH ROSENBLAT** said that it was insane and that he even got splashed. The final results were very close but the mighty British prevailed with a victory. It was clear that everyone loved the captains Duels which were located right on Menominee's very own shuffleboard court.

How about that ride in....? Part Two By JEFF GOLDBERG

We rose early in the morning for Noah's Ark and with Steve's crafty tricks we were able to check out earlier than expected. We swiftly made our way into the largest water park in America with eyes of wonder. As the huge rides loomed over us **IAN MILLER** said: "Holy Psueda-cream this looks nuts!" Our plan of attack was to go on everything there, starting with the Park Voyage. It was a nice tone up for our next ride: The Timewarp. We packed into groups of four ready to be flushed through. It was just as good as we thought; everyone was surely brown afterwards. We then got ready for the craziest water ride anyone has ever seen; The Scorpion Tail. As we walked up the stairs, our frights grew. We could see the people going down the tube at 50 feet per second, then being thrown into a crazy loop, all of this while on their back. We saw a girl get stuck, which only added to our fears. **DAN GASSEL** stepped up to go first. After he made his way in, he stepped up into the box of dropping. His face said it all, a look of pure fear took over, it even looked like he may cry but then three, two, one and bam he was dropped down. After he was finished he turned up to the rest of us and gave us a big thumbs up. It was truly an amaz-

ing ride. Then we moved onto the signature ride: The Black Anaconda. It is the longest water coaster in the world and it is truly a thrill. During the ride, myself, **JED STONE** and **MILES BEAUSEIGNEUR** discussed the solutions of the oil spill on the Gulf Coast, it enhanced the ride greatly. After that we went to lunch for some excellent subway. We all went on many more smaller rides. While we went on Time Warp and Black Anaconda, the rest of the group spent their time yelling obscenities and had one great time. With a little over an hour left we hit the wave pool. Part Three coming tomorrow.

The calm before the storm

By THE EDITOR

As Menominee is due to face Camp Kawaga this Friday in an all day competition, camp has gone into training mode. **COREY PASCAL** announced the set up of the practice sessions this morning in Wasserman Hall before a pumped crowd, eager to give it their all against Menominee's biggest rival. Every camper has been refining their skills during the practice sessions, with coaches and referees on hand to help. If we all pull together and try our hardest it'll be guaranteed that the showdown with Kawaga on Friday will be extra fun and exhilarating.

Your Camp Needs You

On this day July 7th, the following events happened:

- * 1770: The Battle of Larga between the Russian Empire and the Ottoman Empire takes place.
- * 1865: American Civil War; four conspirators in the assassination of President Abraham Lincoln are hanged.
- * 1965: Jeremy Kyle, English television presenter, is born
- 2006 - Syd Barrett, English singer-songwriter and guitarist of Pink Floyd fame, died.

Camp Menominee's very own radio station **W.M.E.N** needs campers to run it and produce high quality broadcasting. Head of **W.M.E.N**, **CHRIS COURTS**, is looking for any camper to broadcast camp news, competition information, entertainment pieces and other camp related broadcasts. Also, the broadcasts are **RECORDED**, so you can forget about the pressures of live broadcasting. This is a great opportunity to get your voice heard across camp and to be a part of something totally different at Menominee. If you're interested please see Chris, who is based in Cabin 9 and the Arts & Craft workshop.

How about that ride in....? Part Three

By **JEFF GOLDBERG**

We had insane fights, while getting smashed by huge tidal waves. Saying it was crazy would be a huge understatement. **ZACH TAUB** was actually thrown into a wave by a random stranger, and all the group could do is laugh.

Unfortunately we had to depart after this. We nearly all cried in protest because we wanted to stay longer. All of us and **DAN GASSEL**'s lockbox loaded up the van and we headed home. Today's Lucky Canteen number is 85. First we devoured 150 wings at Buffalo Wild Wings, it was crazy; sauce was flying everywhere and **CAMERON RUBIN** was named 'The Buffalo Princess'. We were nearing camp when we pulled up to two hillbillies in an old van. They refused to move even after **STEVE** honked profusely.

The woman driving the van got mad and stormed our van. Nobody panicked though because we had judo champion **JED STONE** put her in a pretzel and throw her back into her car. We were only a few minutes from Menominee when we had our first bear encounter. Lucky for the bear it ran into the woods before Dan Gassel could get a hold of it. While reflecting on our trip, I could only think how lucky we were to have such a fun adventure. If you look up fun in the dictionary

you may see a picture of VC. We would all like to thank Steve and **BARI** for one hella good time!

ARE YOU READY?

By THE EDITOR

The face off with Camp Kawaga is tomorrow. TOMORROW! For the vast majority of campers and counselors, the showdown with Kawaga is the biggest, most explosive, fun-packed event on the Menominee camping calendar. For those who are new to camp this summer, you'll soon see why everyone is so pumped and excited. The final practices have been taking place today as everyone needs to

be fully prepared for Friday's all day spectacular competition. **STEVE**, the administration and the rest of the staff here at camp, expect healthy competition tomorrow. Remember campers, that the principles we cherish here at Menominee: of good sportsmanship and lots of spirit, are what we display to our rivals tomorrow. Good luck to everyone!

One time at the Dells...

By AARON KAMEL

We arrived midday in the Wisconsin Dells and straight away checked into the hotel. Then we all chose groups to stay in. My group was **JOHN BUTLER, JUSTIN SCHOENEMAN, JAKE FISHBEIN** and **MICHAEL MALIS**. First, we went to the water park at Mt. Olympus. We went to the upper part of the water park, which I regret now. Our group went on a couple of rides and had to meet the whole group at the designated meeting point. The whole group made a decision to go to the theme park so we got changed and headed there. I waited for a ride called Hades, this ride would be my first rollercoaster ever! I loved the ride because it went 20 mph and was a thrilling experience. My group also went on Zeus which was strictly okay. Then we returned to our hotel. The next morning we went to Noah's Ark, which was a great water park. We spent all day there. I went on all the rides apart from the Scorpion's Tail. At night time we went to watch a ski show which was good, then after that they had jugglers and comedians. The comedy was a lot of fun, after which we went straight to sleep after a day full of fun. The next morning was our last day. John Butler said: "I cannot believe this is over." The group stayed till 11:30am then made its way back to camp, **BRYAN BENNIS** said: "That was a good trip".

Tales of Timberlane

By **JOSH HARRIS**

For the competition with Camp Timberlane, I competed in archery and riflery. When we faced off with the Timberlane campers, they were a little cocky but we were still neat. We pulled through until the end.

That's how we were able to defeat them in archery and riflery; patience and perseverance. Overall we beat Timberlane with a score of 9 to 3. I think our campers should be proud of themselves.

Hmmm...?

On this day, the 8th of July, the following events happened:

*1663 : Charles II of England grants John Clarke a Royal Charter to Rhode Island.

*1948: The United States Air Force accepts its first female recruits into a program called Women in the Air Force (WAF).

* 1853: Commodore Perry sails into Tokyo Bay, violating Japan's isolationist policy.

Kawaga Competition Edition

Saturday 10th July 2010

The Chronicles By THE EDITOR

The competition with Kawaga is over, we lost, but we definitely showed the Menominee spirit; of good sportsmanship, participation and attitude. So I'm sure every campers is bursting with their Kawaga competition tales, so the for next couple of days, the Megaphone will publishing your memories. Enjoy!

11 and under Track By SAM HUNT

Yesterday as you all know, Menominee faced off against its rival camp Kawaga. I took part in the 11 and under track and field event. During that time we were all amazed when **GAVIN BRAMWIT** ran the 800 m. The surprising thing is that not only is he seven years old, but he was wearing Crocs while running! At the first lap of the race, Gavin was in third place out of seven runners. When Gavin finished his first lap we saw that one of his shoes had fallen off! Then we were desperately trying to get his other shoe off to stop him from hopping for the remainder of the race. Thankfully, he was running bare foot down the track in no time. By the second lap Gavin was too tired to keep running. **CHARLIE KANTER, MAX COHEN, JOSH LANSKY** and **CHASE WEIMAN** all said "Great job! That was amazing Gavin!" and then I added "If I was your age I would never be able to do that". After the event ended, Gavin went down to watch hockey after a hard day's running. Thanks also to **COLIN BESH** and **MAX SHAPIRO** for participating.

11 A Kickball By MAX ENGEL & LEVI SCHULMAN

Menominee did not win many events against Kawaga for the 1st session competition but this event is what we dominated; 15-5. Going into this event Menominee had already lost, but that didn't matter. **JOSH LANSKY** and **JAKE SHAPIRO** kept their heads up anyways, didn't lost faith and played a great game. **DYLAN DEMAKOS** said: "That was the best kickball game I've ever played". **BRETT WEISS** pitched a great game allowing only 5 runs. " That was the most fun kickball I've ever took part of." said **CHARLIE KANTER**. So, as you can see, Menominee may have lost to Kawaga, but everyone in 11A Kickball had a lot of fun.

11 and 16 Under Archery

By **DAVID MUNZER**

After a delicious Sloppy Joe lunch, the men in green took to the archery range. **DANIEL GASSEL** started it up for the 16 unders with a 38 shot. When asked if he wanted to keep his score he exclaimed "Oh yeah!". **COLE NEUMAN** and **MILES BEAUSEIGNEUR** both followed up with a 26. For the 11 and unders **JAKE SHAPIRO** dominated his round by shooting a 34. **JARRETT MIKKELSON** shot a 30 which he said was "awesome". Today's Lucky Canteen Number is 108. At the end of the round, Kawaga took both archeries with a final score of **160 to 233** for the 16 unders and **117 to 119** for the 11 unders.

11 B Football

By **BRETT WEISS**

The first event of the competition with Kawaga for the 11 and unders was football. The game began and Menominee chose to receive. With the all-star **CHARLIE KANTER** as starting QB, the Menominee 11B Football team had their hopes up. After three drives from Menominee, the score was 21 to zero. Charlie threw three interceptions that were lucky catches. So after that coach **RICHARD NAGEL** put in **Little Jonah**, aka myself, as quarter back and Charlie Kanter moved to wide receiver. With the first play hand off to **ETHAN WAGMAN** for a couple of yards. Then another interception pass but Menominee got the turn over on 9th down. Then I threw a shovel pass over to **MAX ENGEL** who ran for a 60 yard run and then the next play Menominee scored. Then the score was 7-21. The next time Menominee had the ball, they threw it to **LEVI SCHULMAN** in the end zone, then TOUCH DOWN! After that Kawaga got the ball and knee and won the game. I personally think I gave it my all during the match.

16 under Track

By **JONAH WEISS**

Late in the day after swimming and tennis, the men in black put down their swim trunks and tennis rackets, and put on their track shoes. After **ALLEN 'Usain Bolt' NAPADOV** won the 50, with myself accomplishing the goal of not coming last, the boys from the swamp had their energizer bunnies come in first and second in the mile race with **JEFF GOLDBERG** finishing third. Props also goes out to **MILES BEAUSEIGNEUR** for coming from behind in the 200 meter and winning the race against one of Kawaga's fastest campers. **ELI BERNICK** said after the 800, "the Kawaga runners were fancy, huh?" But in the end, the good guys did not come out on top.

RIFLERY By **ALEC BERGER**

After a quick bite to eat, the seven Menominee shooters hustled out to the Riflery Range to get their game on. At first, **ANDY SCHOFIELD** was unsure whether to start **CAMERON RUBIN** or **DANIEL GASSEL** first. However, out of the blue Cameron Rubin stepped up and volunteered to sit the first shot out. The shooting began with yours truly and **JED STONE** for Team Menominee. Jed shot a personal high, 42, and was later heard saying "I'm a marksman baby! Sign me up for the army". I initially shot poorly but re-shot and scored a solid score of 30. In the next round a competitor from Kawaga received shell shock and was not able to finish his shooting. He scored a nine and was very much upset. **JEFF GOLDBERG** also shot in that round, and he was also very disappointed with his performance and was quoted saying "I haven't shot that bad since I was in 'Nam!". Today's Lucky Canteen Number is 109. After all the ups and downs in Riflery, Menominee came out victorious with a end result of 176-124.

Kawaga Competition 2nd Edition Part A

Monday 12th July

The Chronicles 16 under Hockey

By **MAX FOREMAN**

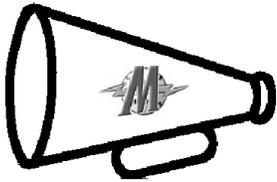

During one of the best performances of the day, the Menominee Men fought till the end. Eight men went into the game with the mindset that they would never quit. With a final score of 6-5, this game was one for the ages. Led by **CAMERON RUBIN** and his amazing skills, which gave Menominee a four goal performance. **SAM ENGEL** did not assist on the score board but he was a strong contributor on the defensive end. The game was a physical brawl till the end and players like **ALEC BERGER** and **DANIEL GASSEL** were tested constantly. The ending of the game was as dramatic as they come with a goal scored by Kawaga with only four seconds left! A heartbreaking loss for the Menominee Men but their efforts did not go to waste. With tension between the two camps throughout the game, our men stayed focused on the task at hand. If I had to say anything about the eight players on this day it is that they were determined to win the Menominee way, with good attitude. Players that came off the bench like **AUSTIN MALLER** also played a role as emotional leaders on and off the rink. Well done Menominee Men for showing great sportsmanship throughout the competition.

18 under Hockey

By **NATHAN FRIEFELD**

Even though things did not go our way, the Menominee hockey team fought a long determined battle. We had **JOSH HARRIS** and **BRYAN BENNIS** playing some tremendous defense. **JUSTIN SCHOENEMAN**, who said: "We are not allowing a shutout!", scored two goals. With those goals everyone kept cheering us on even though the score was now 12-2 to Kawaga. I can remember that **KEVIN DANN** and **BRIAN SCHULZY** told the whole team that they were proud of us even though it was the first time some of us played. Great job everyone including our goalie **ANDREW BLECHMAN**.

The Chronicles 16 under Hockey

By **IAN MILLER**

The game started out with myself, **CAMERON RUBIN**, **DANIEL GASSEL**, **ALEC BERGER** & **SAM ENGEL** on the concrete with **MILES BEAUSEIGNEUR** in the net. After a quick goal by Cameron Rubin, Kawaga answered back. Once again, Cameron scored another goal. It was a physical game for myself and the rest of the team. After the first period the score was 2-1. Coach **MAX FORMAN** said "What an explosive first period you guys have had but we still need to keep up the momentum". During the second period Miles Beauseigneur was standing on his head like Annti Niemi, only letting in two goals. In that period Dan Gassel and Cameron Rubin scored, ensuring the latter person a hat trick. The score after the second period was 4-3 to Menominee. Before the start of the third period, all the CITs hugged each other knowing it would be their last time playing hockey together against Kawaga. The third period marked a surge in the intensity, especially when Kawaga held their own up. Once again, Cameron Rubin scored to take the lead. With four minutes left, Kawaga scored making the scoreboard even at 5-5. With three minutes left in the game a tripping penalty was called. Putting Menominee on a penalty kill. After Menominee killed the penalty with a mere 16 seconds left of the game, Kawaga scored. Menominee lost the game 6-5. After the game **STEVE KANEFSKY** said "You boys should be proud of yourselves". I personally would like to say it has been an honor to play with you guys and I will miss it dearly.

13B Kickball By **JAKE FISHBEIN**

It was Kawaga versus Menominee recently, and what a competition it was! **TAYLOR BEAUSEIGNEUR**, **AARON KAMEL**, **JOSH HARRIS**, **FERNANDO QUINTANAL**, **BRETT DAVIDSON** and myself formed the 13B Menominee P.T.O

Kickball team. We took to the field in hope of scoring many runs. The game went scoreless until Kawaga scored three runs. Even though the game's final score ended up in Kawaga's favor 5-0, Taylor said "the game was a lot of fun".

P-U-M-P-E-D 16 Under Tennis By TRENT BODIN

The senior tennis players came into the competition looking for a win. The team was so pumped to play at the start, but only four courts could be filled. **ALLEN LEVITAS** had an intense matchup with Kawaga's number one singles player. Allen came up short, but it was amazing to watch. New comers **JED STONE** and **MILES BEAUSEIGNEUR** gave everything they had and came up with a win for the team. Singles player **ZACH TAUB** used his tennis skills to also come up with a win. We had some tough losses with **ROSIE** and **BLECHMAN** losing in a tie-breaker along with **ENGEL** and **RIBOT**. Our tennis team may of not won, but we never gave up our hope and determination.

Tough Matchup 16B Volleyball by TRENT BODIN

The 16B Volleyball game was an exciting matchup with Kawaga. My players were pumped and eager to taste Kawaga's blood. **DAVID RIBOT** started off the matchup with some intense serves to give us an early lead. Our two big men, **ZACH TAUB** and **SAM ENGLE**, gave us some big points when needed and great blocks. Even though **AUSTIN MALLER** was our youngest player, he stepped on up on plays adding some good support for the team. Even though the team came up short score-wise, with a 19-25 loss, **ALLEN LEVITAS**, **COLE NEUMAN**, **JOSH ROSENBLAT** and the others, stuck with it for every point. Great job guys.

Tales of Timberlane By NATHAN FRIEFELD

Since basketball was cancelled, all that was left was Ultimate Frisbee. Menominee was eager for the 6th win of the day, and looked really great and motivated on the field. **MILES BEAUSEIGNEUR** had some really great catches throughout the game. Also, **JONAH WEISS** made some awesome touchdowns. By halftime, Menominee had a commanding lead 10-0. When the game started again, Menominee had all the momentum. Just before the game ended, **JAKE FREED** put all the CITs in to the game to finish it off. Menominee won overall in the competition, good job guys!

Manito-wish upon a star

By **JED STONE**

Yesterday during Camper Council , an incredible 16A Softball tryout occurred in which 13 players were chosen. Yesterday at 8.30am sharp, the squad departed for Manito-Wish Camp, which was about 45 minutes away. Upon arrival, **ROBBIE "Nate 09" APPELBAUM** was fearful we had scheduled a game for the travelling team against girls. Alas, we saw their squad down yonder in shorts, which as you know, is not proper attire. **MILES BEAUSEIGNEUR** could have sworn the field was meant for toddlers, but when **IAN MILLER** took offense to the comedy, Miles apologized. The squad took to the field and practiced hitting and fielding. The Manito-Wish squad were wide-mouthed and jaw dropped at our talent. They didn't know this was a slow pitch game but **DAVID BLECHMAN** straightened them out. The third up to bat was myself, **JED "Jacked" STONE**, hit an automatic home run on the first pitch by hitting a canoe on a fly. This set the tone for **ALLEN LEVITAS** to struggle hitting. Soon enough we realized the game was not being taken seriously by the opposing team as our talent was too great. At the seventh inning stretch, **DAVID RIBOT** and **ALEC BERGER** almost tackled the sausage racers on the field. **CAMERON RUBIN** came in to pitch while **ZACH "Tuberstein" TAUB** made some great plays at third. The game ended 21-1 after nine gripping innings, we were greeted with refreshing ice pops and the voice of an angel. The ride home was sweet with laughter and riddles. It looks like Kawaga better watch out for the second session. The Menominee Men are rolling in, shout out to **DAN "Austrian" GASSEL** for cleaning the CIT cabin. Thanks to those who also joined us on this softball adventure, such as **ALLEN NAPADOV**, **AUSTIN MALLER**, **JONAH WEISS**, **COLE NEUMAN** and **ADAM AINSCOUGH**.

11A football By **MAX SHAPIRO**

While we were competing against Kawaga, the very first event for the 11 and unders was 11A football. Kawaga were very good, they got all of the touch downs. We got some touchdowns as well. Both sides displayed excellent showmanship and spirit. Thanks to all my fellow team mates for participating, such as **JARRET MIKKELSON**, **JAKE SHAPIRO**, **R.J.MEYER** and **BRETT WEISS**.

11 under Hockey

By **MAX FORMAN**

During Menominee's 11 under hockey game against Kawaga, a shocking turn of events occurred. A floor hockey game took place and it was one for the ages. An offensive attack led by **JAKE SHAPIRO**, who scored a goal, never played hockey prior to the days events. With an emotional contribution, **LEVI SCHULMAN** helped boost moral and maintain the teams determined attitude. A couple of other hardworking players, such as **JARRET MIKELSON** and **ETHAN WAGMAN**, fought through the tough physical conditions of the competition. The one who endured the most pain in the 5-1 losing effort, was **R.J. MEYER**. The Menominee goal tender stood on his head stopping almost every puck. Even though the Menominee Men lost the game on the score board, their hard work paid off because they came out of the game with a positive attitude.

YMCA Tennis Tournament

By **JASON MOTT**

On Saturday, **KOZ**, **JED STONE** and **BRYAN BENNIS** had an early start to the day, travelling to Rhinelander High School. Once there, they both played in a singles match. Jed won and Bryan gracefully accepted the defeat. Then **TRENT BODIN**, myself and the rest of the players arrived. The players participating were **CAMERON RUBIN**, **ZACH TAUB**, **NOAH ROSENBLAT**, **ALLEN LEVTIAS**, **JACK LAZAR** and **DAVID BLECHMAN**. The majority of the recently arrived, apart from Cameron and Jack, won their first match. Noah ended up with his category and Brian lost for the consolation prize. Blechman came fourth and Levitas and Zach finished joint first and second. I want to take this opportunity to thank **STEVE** for a lovely McDonalds lunch, which was followed by a much deserved trip to Dairy Queen for the players after the competition.

11B Neucomb By LEVI SCHULMAN

The 11B Neucomb game was great fun. On July 9th, Menominee took the court right after the football match ended. After the first round of volleyball was over, Menominee was down 13-3, but **MAX SHAPIRO**, **BRETT WEISS** and **JARRET MIKELSON** made a great comeback. **COLE WERTLIEB** said "That game was amazing!", **MAX COHEN** added "The game was a lot of fun". During the 2nd game, Kawaga also made a startling comeback and doing so, won. The deciding game also went in Kawaga's favor. Menominee may have lost the game, but we sure all had fun.

13 Under Kickball By BRYAN BENNIS

After waiting a long time for tennis to end, the 13 and under kickball teams headed for the kickball fields. When everyone was set, we started the game. The Kawaga coach came over to us and said it was going to be the pitchers hand. This ruined our whole strategy. However, we showed true Menominee spirit by adapting to the change of the game plan and dealt with the problem. **ELLIOT REIBMAN** was our pitcher and pitched amazingly. **ALEXANDER GRAYSON** was in right field position and many of Kawaga's balls were kicked to him and he fielded them very well and got them back to the pitcher. **ANDREW BLECHMAN** said "Let's got guys, we can score more runs!" After this remark, **ADAM SLUTSKY** hit in two runs off a double. The final score of the game was Kawaga:17 and Menominee:3, after a four inning game. Alexander Grayson said after the game, "That was the shortest kickball game I have ever played, but it sure was fun". Even though we lost, we never gave up and kept our heads high. I think everyone who was involved in the competition should be proud of the great sportsmanship they displayed.

The Agawak Social

By ALLEN LEVITAS

On Wednesday, the Menominee Men packed into their vehicles and headed off towards to Camp Agawak for a luau. After a 45 minute drive we arrived at Kawaga's sister camp. The Senior Cabin was dressed appropriately with cool Hawaiian shirts. **ELI BERNICK** was heard saying "I'm fancy, ha?". The CITs were also ready with half of them wearing their Wolfpack shirts, Once we hit Agawak's impressive dance hall, the Menominee Men were amused by the incredible dancing of the Agawak girls. **JACK LAZAR** was seen with drool coming out of his mouth. The music was pumping around the hall, and it was clear that everyone was having a great time. Agawak extended their warm hospitality by having counselors serve popcorn and slush drinks for the duration of the social, to those who wanted one. All in all, the social was a lot of fun. Big thanks to BOOM entertainment for the music and **STEVE** and **BARI KANEFSKY** for organizing such a great social.

Second Session. Hoorah!

By **THE EDITOR**

The second session of the camping season has officially begun, so let us reflect on the amazing first session we had. Here at Camp Menominee we had competitions with Kawaga and Timberland, and we also had socials with Chippewa, Marimeta and Agawak. The great tradition of British and American returned, along with new traditions such as the Key Log Ceremony. A great new addition courtesy of the new Program Director **BILLY HEISLER**.

Everyone enjoyed a brilliant trip during the first session, such as canoeing, the Wisconsin Dells, Mall of America and Copper Falls State Park. One of the newest additions

to the second session here at Menominee comes in the form of counselor **JAKE MOHR**, who strengthens an already strong team of staff. All in all, the first session was awesome but let's match it with an equally brilliant second session!

Sweet teeth!

By the EDITOR & JACOB BERLINGER

All campers arrived yesterday to an orchestra of claps and cheers as they made their way off the coach and into Wasserman Hall to hear their cabin assignments. Campers then entered a rotation system of completing health checks, choosing their activities for Final Four and signing up in the competitive leagues. The names for the activity rounds are as follows: **Duke, Butler, West Virginia and Michigan State.** The leagues are named as follows: **Bear, Buffalo, Jayhawk, Longhorn and Tiger.** All campers returned to Wasserman, fully prepared with all their candy, and then **STEVE KANESFSKY** allowed them seven minutes to devour it all. Today's lucky canteen number is 15. **ISAAC KLEIN**, of Cabin Three, said: "I liked the party, and loved the candy". Cabin Eight's **JAKE ADDIS** said: "The Candy Party was awesome, a lot of kids ate my candy so I ate theirs." The Candy Party is extremely fun, but it does have an important purpose. It keeps the cabin's clean, which in turn, repels any creepy crawlies or rodents. So campers, if you have **ANY** candy left in your cabin, it's not too late to hand it over to your counselors. A clean cabin is a happy cabin.

Pearls of Wisdom A big thank you to..

Campers it's really important to remember to keep hydrated this summer. Always have your water bottle handy. Also, the scorching heat of the North Woods will do damage to your skin if you don't keep yourself protected with sun lotion. So campers, regular sun lotion applying is absolutely vital.

To all staff who helped with the clean up operation of the camp, in preparation for the second session. From counselors to kitchen staff, from support staff to the administration, you should all keep give yourself a much deserved pat on the back for your efforts.

On this day, July 19th, the following events happened:

- *1553: Lady Jane Grey is replaced by Mary I of England as Queen after only nine days of reign
- *1692: Salem Witch Trials cause five women to be hanged for witchcraft in Salem, Massachusetts
- 1870: Franco-Prussian war, France declares war on Prussia

Canteen!

By the **EDITOR**

Last night saw the opening of the Canteen for the second session. All campers waited with baited breath as the head of Canteen, **JAKE FREED**, explained the rules and regulations of the candy extravaganza. Today's Lucky Canteen number is 87. It's great for campers to have an opportunity to grab a soda or candy in the evening, however, if trash starts to become an issue, Freed will have no choice but to close Canteen. So campers, enjoy your candy, but also remember to dispose of trash correctly.

16 B Kickball

By **COLE NEUMAN**

We were down in the competition against camp Kawaga when kickball rolled around. The 16 and Under athletes knew this game was where we needed to shine. The game started with the boys of Menominee, who had some great catchers such as **JOSH ROSENBLAT**, **JACK LAZAR**, **DAVID RIBOT** and **ALLEN LEVITAS**. Then it was our time to kick. Very strong kicks came from **ELI BERNICK**, **JEFF GOLDBERG** and yours truly. By the end of the day we ended with a much deserved victory over Kawaga with a score of 28 to 8.

Songs of Praise

By **NOAH ROSENBLAT**

"Here we go Menominee, here we go..." Second session Song and Cheer night was a blast. Even though this is a boys camp, we still love to sing and cheer. The first full day of camp is usually a pretty relaxed day and this camp needed an energy boost! The Senior Cabin did a great job of leading the camp to a ton of exciting cheers. For one of the cheers the whole camp just stormed into the middle of Wasserman Hall. Just think about that, 150 kids pushing and jumping around in one big circle. It was the biggest, most awesome mosh pit I have ever been in! My shoe even fell off. **NOAH RAVEN** said that it was the craziest thing ever. I thought the **MUCs** (Most Valuable Cheerers) of the night were **ALLEN LEVITAS, JONAH WEISS, DAVID BLECHMAN** and **JOSH ROSENBLAT**. However, every camper did a good job during Song and Cheer night, and it was a great start to the session.

Twilight League

By **HARRIS CHODASH**

It's that time, it's Camp Menominee second session twilight league! That's right, twilight league has officially started and there has already been a lot of hype. **JONAH WEISS** in the Reiner vs Neuman game made an amazing sliding catch to get the out for his team. This session should be very exciting with the race for the title in the Junior, Intermediate and Senior leagues. **NOAH ROSENBLAT** said "Yeah, I'm pretty excited to start the season". **ANDREW MEHRHOLZ** commented on the start of Twilight League by saying "I felt so excited when I was chosen as captain, it's going to be great this summer!". Oh Sandy

By **JACOB BERLINGER**

Tuesday evening saw Camp Menominee host the best castle making competition ever! However, it wasn't real castles with Kings and Queens in, it was the castle of the sandy variety. When the competition was announced everybody thought it was nice surprise. Cabins had to face each other, competing by who can make the most impressive sand castle. Cabins had 30 minutes to build their castle. Every cabin's castle was different, Cabin 14 decided to just bury **TYLER FLANZER**. Some cabin's castles had moats with real water surrounding it. **KOBY STERN** thought the contest was 'sand-tastic' and **ISAAC KLEIN** said he loved each cabin's different castles. **JUSTIN OLSON** said that the competition was 'messy'. The winner of the Junior Division was Cabin Six, the Intermediate Division winner was Cabin 13 and last but not least, the Senior Division winner was Cabin 17. The sand castle building competition was a success and I could tell everybody had a great time.

Praise thee Menominee

By **THE EDITOR & JACOB BERLINGER**

Camp Menominee is held dear in many people's hearts across the United States, and all over the world for that matter, why else would so many campers keep returning to the Friendly Confines every summer. Today's Lucky Canteen number is 51. So as it's a established fact that Menominee is a much loved camp, I set out with **JACOB BERLINGER** to find out exactly why this is. We posed the simple question "What does Menominee mean to you?" to an assortment of campers and counselors, and here follows the responses we got:

DAVID MUNZER: "It means a family atmosphere where everybody respects each other"

RYAN BLUM: "A place where friends get to spend quality time together"

ISAAC KLEIN: " Menominee simply means fun"

JONATHAN LISS: "It means the whole summer to me. I look forward to coming here all year long"

RICHARD NAGLE: "It means a place of unity which has enough good traits to make me return all the way from England"

ETHAN CANTOR: "Being with your friends, a great fun place"

JOSH GELMAN: "It means F cubed, family, fun and friends"

RYAN MILLER: "A second home to me"

DAVID MIZOCK: "Giving it your all in the face of adversity"

CHARLIE PRICE: "Having fun with all my amazing friends and the fun activities"

ANDY SCHOFFIELD: "A great place with many great people. A home from home"

TOM FEDDERLY: "It means tradition. The name 'Menominee' means a lot to people who know what the camp is all about"

The Big Decision

By JACOB BERLINGER

Did you hear about the debate? If you didn't, don't worry, you haven't missed another Presidential debate. It was between **BILLY HEISLER** and **KOBY STERN**. The Seniors divided everyone into Billy's or Koby's team. In each cabin, two campers represent Koby or Billy. Whoever wins, the person representing said candidates, get to swap their daily routine with their cabin counselor. The debate was really funny; **KEVIN DANN** asked if either candidate would offer ice-cream on wheat bread and lettuce, or whether the camp would hire someone with a New York accent to serve and ask for hotdogs. So to conclude; make the right decision when it comes to voting campers!

Wednesday evening saw Camp Menominee stage it's own spelling bee competition in Wasserman Hall. Campers had to determine who was the best speller and nominate them to represent their cabin in the contest.

When the event came around, the two organizers, **COREY PASCAL** and **MAX FORMAN**, summoned the Junior division competitors. **JAKE SHAPIRO** was the eventual winner. It was then time for the Intermediates to hit the spelling bee stage. It boiled down be-

tween **BRETT DAVIDSON** and **RYAN BLUM**. After an intense showdown, Brett emerged victorious. The Seniors stepped up, and **MICHAEL MALIS** was the first casualty after being asked how to spell 'environment'. **SAM ENGEL** also suffered the same fate as he was asked to spell the notoriously difficult word 'congratulations'. Sam somehow managed to imagine a 'd' in it and was eliminated. **NOAH ROSENBLAT** proved victorious in the Senior age division. Tonight's Lucky Canteen Number is 130. Then there was three winners left, one from each division. Pas-

cal and Forman asked the three victors to face off in the final spelling bee showdown. Mister Brett Davidson was the overall winner, the camp's master speller. Many thanks for the contestants for taking part and to Max and Corey who went to great lengths to put on a great evening activity.

LET'S GET SOCIAL! By the EDITOR

Tonight Menominee is staging a social with Camp Birch Knoll, and I doubt it'll be anything less than fantastic. I'm also positive that the Menominee Men will be nothing but courteous to the girls from Birch Knoll and show them how this camp conducts amazing socials!

CHANGES By the EDITOR

Today, the Camper-Counsel switch took place and everyone enjoyed their new found roles at camp. **NAT ROSEN** swapped his camp position with **JOSH LANSKY**, so Josh had to don plastic gloves and serve food to his fellow Menominee brethren all day. **RODRIGO LOPEZ** switched with **JAKE FREED** and had the responsibility of the Men on Line captain, a role he enjoyed and took advantage of. He triple dipped during lunch! **CHRIS COURTS** seemingly relished in his new role as camper as he mind-mushed **ELLIOT RIEBMANN** with repetitive questioning and general annoyingness. Overall, everyone appeared to really enjoy today's switching antics as well as the Beach Party with took place at the waterfront.

Guessing the correct number from 1—9 gave me the privilege of writing the article about the Minneapolis trip. So much to write about, from a time span of 3 days. We all got into the van at ten in the morning including **DANIEL GASSEL's** lockbox. On the ride up, **IAN MILLER** was looking more pale than he usually is but denying that he was feeling sick. After five hours we had arrived at the beautiful American Inn. We all settled into our rooms with yours truly, **ALLEN NAPADOV, CAMERON RUBIN, JED STONE** and **MILES BEAUSEIGNEUR**, taking the pseudonym 'AC JAM'; the Youth National Triathlon Team. After relaxing at the hotel for a little, we started to leave for the Twins game with Daniel 'Garmin' Gassel leading the way with directions. We arrived at the game and sat ourselves in the nose bleeds. **STEVE KANEFSKY** made sure that he brought tissues up to the seats. Half of the crew decided to walk around the new stadium and while we were walking we spotted a plethora of 10s and 9s. More of this tale coming in tomorrow's Megaphone.

GO MENOMINEE!

By the EDITOR

It's competition time with Camp Timberlane today at Menominee, and I'm sure that'll we display good sportsmanship on and off the field. Menominee has a great record of being civil with rival camps during competitions, and it's up to you campers and counselors to uphold this reputation. The competition's age division is going to split with **12 and Under** and **13 and Over**. Event wise this is how the contest is going to take shape; we're going to compete in **Tennis, Baseball, Soccer, Archery, Ultimate Frisbee, Basketball and Riflery**. Remember campers; make the competition flow easier and show true professionalism by turning up at each event on time and wearing the correct attire. Today's Lucky Canteen Number is 12. It also makes your coaches' life a lot easier. I'm sure that the Menominee Men will be convey the right attitude and good sportsmanship throughout the competition and respect our visitors from Camp Timberlane. Good luck Menominee!

Menominee Spookfest

By the EDITOR

When **BILLY HEISLER** announced to everybody yesterday in the Mess Hall that Camp Menominee would stage a creepy, not scary, and fun fancy dress during the evening, everyone was psyched. Not only did this sound extremely fun, but Menominee had not ran such evening group activity before. Once evening struck, Wasserman Hall had transformed into a Haunted Mansion, available for those campers brave enough to walk through. **ISAAC KLEIN**, of Cabin Three, said "The Haunted Mansion was awesome! It was spooky and really fun!" **MAX KOGEN**, also of Cabin Three, said "I was so excited to walk through the Haunted Mansion, It was so cool!" Campers were encouraged to don fancy dress for this extra-special camp occasion. **MAX SHAPIRO** took this fashion requirement seriously, spiking his hair up for the extreme look. **DAVID MUNZER** experienced severe candy craving, and, as is natural for him, transformed into the Green Man. Amongst other activities, candy was planted in various locations across the camp, and it was up to campers to search for these goodies. Once a location had been discovered for candy, campers had to ask 'trick or treat' and wait for their reward...or not! Overall, the night was a complete success and it appeared all campers really enjoyed themselves. A big thank you to all those who organized this

"Don't get arrested"

Part 2

By **ALLEN LEVITAS**

We needed to make a move. After taking a lap around the entire field trying to keep up with the girls, **CAMERON RUBIN** started the conversation with the ladies. All of us were pretty nervous, but we were able to keep our cool as we ended up getting a picture with the women. We even became friends with them on Facebook after **JED STONE** wooed them with his Judo skills. Although the Twins lost, everybody said they had a good time, including **IAN MILLER** who slept through some of the game. We went back to hotel with no intention of going to bed. **ZACH TAUB** and Ian Miller decided to stay at the hotel as the rest of us walked around to see what goes on in Minneapolis. As we continued to walk, we realized that there was nothing to do around us. We all sat down as **JOEY ZINSKY** demonstrated his story telling skills. After the stories, we went back to the hotel and went to bed in preparation for the next day, packed with fun-filled events. We all woke up and everyone was ready to go to Valley Fair. The greatest amusement park.....in Minnesota. We were having a great time until we were an hour in and had already rode all of the rides that were at the park. We decided to sit around as yours truly, **ALLEN NAPADOV** and **MILES BEAUSEIGNEUR** decided to juggle a basketball and as Miles was going for a header, his glasses broke! **STEVE** picked us up early and we went back to the hotel to get ready for the grand daddy of them all; the Mall of America. We all decided to change to look nice and everyone quickly got ready except for Miles Beauseigneur, who needed to look perfect for all the of ladies at the mall. Miles was heard saying, "It's hard to get ready when someone puts coffee into the shower!" Once Miles finally finished we went to the mall with the first store to go to being the Oxygen Bar. The Oxygen Bar was a place where you would sit in a massage chair for fifteen minutes while breathing fresh, scented oxygen. Then you would move to a different area where you would have more oxygen, drink a 6-hour Powerade, and get your head, shoulders and back given a massage. This tale continues in tomorrow's Megaphone.

All of us sampled the Oxygen Bar except for **ZACH TAUB**, who spent the time buying moccasins which made no sense since yours truly and **IAN MILLER** had time after to buy the same exact pair. **JOEY ZINSKY** was heard saying, "Uh huh huh huh huh huh" while he was in the massage chair. Everyone felt revitalized including **MILES BEAUSEIGNEUR**, **JED STONE** and yours truly who sprayed body spray on our faces. After the Oxygen Bar, we decided to go to Champs. We spent a long time in there, looking at all of the sweet gear that they had. Many of us bought items from the store as we left to go to Foot Locker. At Foot Locker, we gazed at shoes, though Joey Zinsky being the only one who bought a pair. After that we decided to go back to Champs where we purchased even more gear. Champs ended up being everyone's favorite store, as we would go to the two Champs stores a total of five times. With an additional trip to the Champs store that only sold hats.

As we were walking around the mall, we spotted a kiosk that sold sunglasses. Everyone bought a pair including yours truly, who bought the worst pair out of everyone. On a scale of one to ten, Jed Stone rated mine a two. For dinner we decided to eat at Hooters, where everyone ordered the all-you-can-eat wing meal. Ian Miller ate a total of 30 wings in a time span of seven minutes and twenty-four seconds. After downing the wings, Ian Miller was given a surprise when all of the waitresses came to our table. They made Ian place two cups in his mouth to make it look like a beak, and menus in both of his hands so he could flap up and down. Today's Lucky Canteen

Number is 138. It made him look like a fool, but he got a hug out of it in the end. After dinner we decided to go and see the new movie Inception. All of us tried out the new D-box seat which actually moved and vibrated with the actions of the movie. When everyone walked out of the cinema, our brains were scrambled. Everyone thought differently of Miles Beauseigneur's obsessions with the actor Leonardo Di Caprio. Joey Zinsky even questioned whether he was in reality or if he was dreaming. The great movie ended and a great day in Minneapolis, as we crashed soon after we went back to the hotel. I was able to peacefully fall asleep to the roasts of Pamela Anderson and Flavor Flav. The next day we were given a second opportunity to go

to the mall. We decided to walk in and out of Metropark and Ruma because it was too 'Eurostrash' for the American members of the group. The finale of this epic tale will be in tomorrow's Megaphone.

BEAT KAWAGA!

By the EDITOR

This morning at Camp Menominee, all campers and counselors were called into Wasserman Hall immediately after flag raising. Everyone chanted an assortment of 'Beat Kawaga' chants which helped get everyone in the right frame of mind: competitive mode. **COREY PASCAL** announced what most campers and staff having been waiting for feverishly for months: the start of the Beat Kawaga practice sessions! We're competing against Camp Kawaga in a variety of sports; **Basketball, Ultimate Frisbee, Soccer, Softball** and **Wrestling**. So, campers, make your coaches' lives easier by turning up to practices on time and in the correct attire. **COME ON MENOMINEE, BEAT KAWAGA!**

Timberlane Tales: Under 11 soccer BY DAVID HOLMES

On a sweltering day the Menominee Junior soccer team, headed by internationally recognized coach **NAT ROSEN**, took to the field in a mouth watering encounter with Camp Timberlane. With a strong field of players, the Menominee Men took their time to find their feet, though the deadlock was broken with

some patient build up play from **JAKE SHAPIRO** and **RODRIGO LOPEZ**. This led to a flurry of goals up to the half-time interval, with the score 3-0 at the break. The second half started promisingly with great attacking moves involving **SAM PASSANISI, JARED LEVINE** and **ROBERT FURMAN**. As more goals continued to come quickly courtesy of **DIEGO YANEZ**, the score started to mount. It would have been higher if **HARRIS LIVINGSTON's** effort hadn't rattled the post. The final score being 7-0 to Menominee in a well contested battled, played with sportsmanship and a professional attitude from all players.

13 & over tennis: "Spartans do battle"

By **RICHARD WILSON**

On a hot day in the beautiful setting of Camp Timberlane, the team of ten young Spartans from Menominee took battle on the tennis court against the home competitors. Due to unforeseen circumstances, **WILEY SHAPIRO**, **NOAH ROSENBLAT** and **ALLEN LEVTIAS** were unable to contribute in the fight against the honorable Timberlane Vikings. The lads who did play did Menominee proud. **JOSHUA ROSENBLAT** and **JACK LAZAR** were the first victors, afterwards, the comfortable victor commented that it was his, "happiest day since the Greeks took the city of Troy." Things then took a turn for the worse when the valiant partnerships of **JEFF GOLDBERG** and **JED STONE**, as well as **COREY REINER** and **COLE NEUMAN**, both fell at the final hurdle. However, when it looked like all hope was lost, **JUSTIN SCHOENEMAN**, in a last man standing heroic contest, won his single match to tie the score to two-two. Justin reveled in his victory and said it was his proudest moment, "since Neil Armstrong landed on the moon in 1969."

12 and under basketball: "Overtime Thriller"

By **ANDREW BLECHMAN**

On Monday, the Menominee Men took the court against Camp Timberlane. Menominee started off strong with a few quick baskets from **NOAH RAVEN** and **JACOB DAITCH**, but Timberlane responded with a few quick baskets of their own with the score volleying back and forth. The half ended with Timberlane at 26 and Menominee on 25. During half time, **MATT CHAPMAN** said: "We can still win this." This pumped up the Menominee squad, and we were ready for the second half. The second half, much like the first half, kept going back and forth until Timberlane pulled away with 4 minutes to go. Coach **DAVID MEYERS** put the starting five back in, in an effort to win. **JARED LOIBEN** seemed like a rebound machine grabbing almost every rebound in sight, and Noah Raven tied the game up with a clutch jump shot. Then, Timberlane's star player made a three to give them a three-point lead, but Menominee wouldn't quit. With thirty seconds to go, Noah Raven dribbled down the court. Menominee kept passing it around until Noah passed to yours truly, and I swished a three at the buzzer to send it into overtime. In overtime, the Menominee men came up short with a score of 41-40. **ANDREW MEHRHOLZ** said: "That was the craziest game ever!"

"Don't get arrested"

Final part

By **ALLEN LEVITAS**

The main thing that was on our minds was what present to get for **STEVE** and **BARI**. We were walking around trying to look for a present to get, when we walked in front of the Build-A-Bear-Workshop. We were making our bear and when it was time to place the hearts into the bear, the staff made us rub the hearts on our stomach so it didn't get hungry, our forehead so it would be smart, our elbow to give it giggles, as well as other various body parts. A different lady was in the shop and came up to us. **JED STONE** didn't even have to woo her with his Judo skills. The conversation was short as she was rated a 'two'. We decided to name the bear Billy, after our great activity administrator. After we made the bear, we decided to go into Pac Sun where we were given training on how to fold shirts. Jed Stone used the skills he learned on actual customers, but the customers had no response for Jed 'staff in-training' Stone. We decided to quit and head out to come back to the Friendly Confines. Thanks to everyone who made this trip so special including: the Twins girls, Champs, the Pac Sun staff, the sunglasses kiosk, Dominos Pizza, Jon from Build-A-Bear-Workshop, Robin from Hooters, the Oxygen Bar, Leonardo Di Caprio, the D-box seats and last but not least, Steve and Bari. Today's Lucky Canteen number is 1. Thanks to everyone for making this trip the best I've ever been on.

Birthday Wishes

Happy Birthday to **IAN MILLER**, who turned 17 on the 27th. Hope you had a good one!

Blast from Menominee's past

On this day, the 29th of July, the following events happened at Camp Menominee:

- 1970: Cabin One left for a trip to Mt Rushmore. They checked into a motel in Minneapolis, watched a Twins-Orioles game, then travelled to Rapid City and Mt. Rushmore. To finish off the trip, they ventured through the Black Hills of South Dakota, to the town of Deadwood, where Wild Bill Hickok was murdered.
- 1985: 11 & Under archers and marksmen defeated their opponents at Camp Kawaga. Also, Menominee beat Camp Deerhorn at soccer, with the winning goal by Willie Zimberoff
- 2004: Brandon Deer's Nature Breakers turned up the heat and defeated Ross Feldgreber's team 13-8 at softball.

The Kawaga Chronicles: 16 B Soccer

By **DAVID BLECHMAN**

One early Friday morning in the town of Minocqua, the men in black took to the pitch against the kids from the swamp. The game started in a great way when team captain, yours truly, won the coin flip and elected the kick off. After stellar performances by **ERIC SLUTSKY** and **COLE NEUMAN**, Camp Menominee kept Camp Kawaga scoreless through the 20 minutes of the first half. Forward **SAM** 'I'm not bad' **ENGEL** created many scoring opportunities off corner balls. In the second half, fatigue started to set in for the men in black, due to a 12-man rotation. Kawaga scored five goals within the next twenty minutes despite great goal-tending from **JONAH** 'shirtless' **WEISS**. Late into the second half, Sam Engel was able to squeeze out a goal by accidentally kneeing the Kawaga goalie in the face. In the end, Menominee lost five to one.

Birthday Wishes Timberlane Tales: 12 & under Softball

Happy Birthday to **ANDREW BLECHMAN** who turned **thirteen** today. Hope you have a good one!

'The game of a lifetime' By **ANDREW MEHRHOLZ**

The softball game with Camp Timberlane might have been the most intense ever! Even though it was not a long game, lasting only two innings, it was still really competitive. **MATTHEW HORVITZ** was heard saying, "this is the greatest game ever!" Team Menominee had some great hits by **BRANDON PTASZNIK**, **CHARLIE PRICE**, **MAX PTASZNIK**, and last but not least, **MAX ZLATNIKOV**. After the game ended in Timberlane's favor, nine to four, everyone on Menominee displayed a tumultuous cheer. I think everyone on the 12 and under softball team played their hearts out and displayed real determination, and should give themselves a hearty pat on the back.

Oooo suits you sir! By the Editor

After flag raising this morning, **STEVE** called for everyone to make their way into Wasserman Hall. He congratulated all campers and staff for the amazing sportsmanship, determination and attitude they displayed during the last week in which two camp competitions took place. Steve then turned to the mysterious boxes on the floor, and unveiled dapper Menominee clothing; a cap for campers and counselors who have been here for two summers and a jersey for those who have travelled to the Friendly Confines thrice for the summer. Today's Lucky Canteen Number is 63. Steve then chose two henchmen, **DAVID MEYER** and **DAVID MUNZER**, to hand out the honorable gear to those deserving.

The Kawaga Chronicles: 11 A Ultimate Frisbee

By **JAKE SHAPIRO**

As our competition was well and truly underway with Camp Kawaga, the 11 and under A Ultimate Frisbee team took to the field. The A team entered the game with confidence and pride. As luck would have it, Menominee would start with the Frisbee. The game started with the handlers, yours truly and **BRETT BORRE**, using a combination of short passes. The drive ended with yours truly bombing the Frisbee to **BRANDON PTASZNIK**, who caught the disc using the trusty alligator chomp. After a great pull from **JOSH LANSKY**, our defense came together. As we slowly regained the Frisbee, we soared on with a great throw from **ETHAN CANTOR** to **COLIN WERHANE**. With great coaching from **MAX FORMAN** we were able to take a commanding lead, the score being 5-0 in our favor at halftime. During the next twenty minutes, we scored four more times and even though Kawaga had a hard time passing, they connected for two touchdowns. After the game **JONATHAN ROSENFELD** was heard saying, "That game was awesome, it was so much fun!" I know for a fact that the 11 and under will remember the fate of July 30th, 2010 forever.

Blast from Menominee's past

On this day, the 31st of July, the following events happened at Camp Menominee:

- *1974- Menominee played host to a twelve and under tennis tournament with teams from Deerhorn, Mohawk, Towering Pines, Ojibwa and Kawaga competing.
- *1974- Rick Shea presented his evening campfire- Comic Book Night. Each cabin had to create a skit based on a comic book hero, either original or taken from a comic book.
- *1998- The M.I.S.O (Menominee Indian Spirit Organization) made an announcement to all campers in the Megaphone, a plea to keep the spirits of their land alive.
- *2005- Team Menominee's Counselor A team, headed by coach Jon Sider, beat their competitors from Ojibwa.

Surprise social! By the EDITOR

When **STEVE** made his usual announcements after lunch in the Mess Hall, no one expected him to say that Camp Menominee would be hosting a social with Camp Marimeta. Everyone was ecstatic at this surprise social, **ISAAC KLEIN** was heard saying, "Yes! I love socials." So when evening skies set in over the North Woods, Marimeta turned up their hordes. BOOM Entertainment provided the music and fun, and as usual, were superb in doing so. **LOGAN BALBOA** was seen busting out all sorts of freaky dance moves on the stage, obviously having a great time. Thanks to all the counselors, from both camps, for keeping things under control and for serving delicious cookies and juice to the party-goers. Also, a special thanks to all campers, Menominee and Marimeta, for behaving and displaying true camp spirit. A special shout out to **SANDY**, Marimeta's director, and our very own directors **STEVE** and **BARI KANESKY**, and the rest of the administration, for organizing such a great social.

The Kawaga Chronicles: 11B Ultimate Frisbee

By **ROSS FISHER**

On Friday the 11B Ultimate Frisbee team faced off against Kawaga and everyone had a great time. In the first half it was a huge nail biter as after the half had ended the score was even at four-four. Everyone was very nervous. Our coach **MAX FORMAN** told us that if we lose we're done for, so we didn't want to let our camp down. However, our determination paid off as in the next half **MATTHEW CHAPMAN** scored his fourth touchdown. The touchdown put us up to a five-four lead but on the next drive they fired back to make it even at five-five. The Menominee Men showed no mercy, as we went on a seven touchdown run, our dominance was a great chance to give our subs an opportunity to shine. The final score was twelve-five and gladly we weren't the ones to end the streak. Many thanks to all those who took part and our coach, who showed true Menominee spirit.

The Kawaga Chronicles: 16 A Softball

By **ZACH TAUB**

As the clouds casted a shadow over Kawaga's softball diamond, immediately following a chilling victory for 16 B softball, the camps' best softball team took the field for the final matchup before the wrestling event. "3-points" was in our mind from **JAKE HOCKMAN** and **ROBBIE APPELBAUM**. Everybody was ready to go as **DAVID BLECHMAN** exclaimed, "It's our time to shine!" Menominee started at bat with **ERIC SLUTSKY** leading off, hitting a rocket shot that looked like a sure single, only to be snagged by the shortstop. The game went by rather quickly, with Kawaga slowly raking up runs while yours truly, **IAN MILLER** and **JONAH WEISS** provided Menominee's only early catches. Luckily, none of the players showed a sense of defeat, including the spectators like **JARED LEVINE** who said, "We're losing, but we're going to win." Unfortunately, this wasn't the case as a mini rally in the sixth-inning came up short, and Menominee fell ten-two. It was a heartbreaking loss for everyone, especially the CITs, such as **JED STONE**, **MILES BEAUSEIGNEUR**, **ALLEN LEVITAS**, **ALLEN NAPADOV**, Ian Miller and yours truly. Despite having another year to look forward to, Jonah Weiss, **DAVID RIBOT** and Eric Slutsky put forth all their effort and although we didn't come out on top, everyone played to their maximum. As **JOSH "\$\$\$" GREEN** said, "there is nothing to keep your head down about."

The Kawaga Chronicles: Ultimate Frisbee B

By **MICHAEL MALIS**

On Friday during the Kawaga competition, after the A Basketball game finished, the Ultimate Frisbee team took to the field. The B game was out on the soccer pitch. The starting team was **ADAM SLUTSKY**, **MICHAEL DMITRIYEV**, **HARRISON CHODASH**, **JARED LOIBEN**, **ANDREW BLECHMAN**, **JUSTIN SHOENEMAN** and yours truly. Kawaga started off with an early lead. By half time the score was seven-four in favor of Kawaga. We tried to come back, with Harrison Chodash and Michael Dmitriyev making some great catches. In the end Kawaga won with a score of eleven to six.

Blast from Menominee's past On this day, the 2nd of August, the following events happened at Camp Menominee

- 1968: Campers travelled to Minocqua to see a water skiing competition. Also, Menominee defeated Camp Macabee in an all-sports competition.
- 1975: Menominee Mike, the camp's would-be spiritual leader, is uncovered as a spy for Camp Kawaga. His real name is discovered to be Joe Kawaga.
- 2007: Mike Dunleavy arrived at the Friendly Confines with some friends. Mike manned a basketball clinic and helped campers with their basketball abilities.

The Kawaga Chronicles: 13 A Softball

By **DANNY SLUTSKY**

It was one year since Bob Bender had seen an A Softball game. As the 13 A team stepped onto the field they all had one goal in mind: win this game. **ANDREW BLECHMAN** had an amazing game and started the game out with multiple strike outs. **ADAM SLUTSKY** kept the bats going with a triple and **NOAH RAVEN** with some singles. As the game went on, excellent plays were made in the field by **ANDREW MEHRHOLZ**, **JOSH KRAVITZ** and **JUSTIN SHOENEMAN**. After a few unfortunate errors, the Menominee Men fell behind but kept their heads high. **SCOTT SHARFMAN** continued to play well and **HARRISON CHODASH** was perfect in right center. **NOAH ROSENBLAT** led the outfield and had a great attitude all game along with **WILEY SHAPIRO**. The final score was thirteen-nine in Kawaga's favor, but all the members on the Menominee side plated hard and played the Menominee Way.

The Kawaga Chronicles: 11 B Soccer

By **ADAM AINSCOUGH**

During the 11B soccer pre-game team talk, the stacked 28 man squad led by Captain **COLIN WERHANE**, performed a tribal war dance to intimidate our opponents. We knew we had the numbers, so we decided to press them in their own penalty area. The rampant rampaging attack, equipped with six forwards, punished the opposition. One guy was heard saying it was like the 'Alamo'. These aggressive tactics paid dividends as Camp Menominee was six-zero up at half time. **JUSTIN 'The Wall' OLSON** was solid, commanding his area all match long. As was **NOAH LAZARUS**, **JONATHAN LISS** and **ISAAC KLEIN** in defense. The rest was left to our world-class strike force with **BRETT 'Boom Boom' BORRE** bagging a hat trick and **DIEGO 'Maradona' YANEZ** netting two in a sizzling display. Other outstanding displays of skill were seen from **ZACH 'Zumba Zumba' GREENBAUM** and **ETHAN 'The Pocket Dynamo' WAGMAN**. Most of Menominee's attacks were started by **JOSH 'Slansky' LANSKY**. A plethora of substitutions were made in the second half but CM still managed to bag one more before the final whistle. The game ended seven-nil, in the most one sided game I've seen in my 59 years at camp. Boy do I miss the glory days of 1968. But because of this magical display of talent, a new era of legends has begun. The future is bright, the future is green!

The Kawaga Chronicles: 16 B Softball

By **COREY PASCAL**

With Kawaga one win away from taking the competition, the Men in Green were on a mission. Today's Lucky Canteen Number is 24. They were determined not to give up the deciding game in the Swamp's favor. The drama started early when in the first inning **SAM ENGEL** was called out at home on a questionable call. **JACK LAZAR** took the mound for CM in the bottom half. Lazar had a stellar pitching performance striking out three and walking none, keeping us in the game. Complementing the lights-out pitching was some solid defense by **LENNY BLOOM**, **JEFF GOLDBERG** and **COLE NEUMAN**. We were held to zero runs until the fifth inning. **AUSTIN MALLER** led off the inning, reaching first on a walk. With the help of Bloom, Lazar and **DANIEL GASSEL**, we evened the score two-two. Fast forward to the top of the seventh inning. The Menominee Men knew what had to be done. With Bloom and Lazar as the two ducks on the pond, clutch hitting by Gassel and **JOEY ZINSKY** brought both of them home. The team huddled on the mound at the start of the last half inning. Up four-two, we knew that we needed these three outs, and we needed them now. Having let up a run, with a runner at second, we had one out. **JOSH ROSENBLAT** and **CAMERON RUBIN** kept their teammates focused on their goal, despite the minor speed bump. The tide shifted in our favor as Engel darted to two liners and caught them to win us the game four-three. Coaches **COREY PASCAL** and **SAM LAZAR** would like to thank the entire team for their tremendous effort in an unforgettable softball game. It was truly one of their proudest moments and coaching experiences.

The Kawaga Chronicles: 13 A Soccer

By **KOBY STERN**

The 13 A soccer team took the field ready to do battle. Kawaga was on the attack early. But great defense by **ADAM SLUTSKY** and **ELI NEWMAN** kept Kawaga at bay. Kawaga was able to finally put one in the back of the net, and quickly went up two-nil despite great goal keeping by **WILL SILBERG**. As halftime came and went, the men in green stepped it up and began to play with more purpose and determination. **NAOH ROSENBLAT** and **SAM PASSINISI** tormented the Kawaga defense, but were unable to find the old onion bag. With a final score of four-nil, the men from Menominee came out the losing end with our heads held high and our pride intact. Coach Stern is extremely proud of all the players for playing a hard game and leaving everything on the field.

Imitation Night By JACOB BERLINGER

Did you hear about Imitation Night? Well I didn't hear about it, I was actually in it! I'm in Cabin 15, and we had three acts, aka imitation, to perform. The whole act was finished in about one minute, but we made sure to pack a lot of comedy into it. Our first act was about the shenanigans Cabin 14 gets up to. Notable imitations were off TOM ADLER, and he is forever losing in games against campers, especially golf. Also, BILLY HEISLER was at the receiving end of many imitations, depicting his overuse of positivity. Imitation night was really funny, and all the laughs from the audience was an indicator that everyone enjoyed themselves.

The Kawaga Chronicles: 11 C Softball

By DAVID MIZOCK

Following a successful basketball sweep, the 11 C softball team of 23 men got ready for some action. The men in green were more than ready when the Kawaga umpire called play ball. The first four batters for Menominee all successfully reached base before Kawaga was able to record an out. With some great hitting by **ALEX GOULD**, **NOAH BEN-ISVY**, **MAX PTASZNIK** and **DYLAN DRISCOLL**, Menominee was able to score a total of 12 runs before taking the field. In the bottom of the first, spectacular plays by Alex Gould and **ISAAC KLEIN** as well as great stops and scoops by **JACOB BERLINGER** at first base led to a Kawaga 1-2-3 out and just like that, Menominee was up to strike again. Smart base turning by **DYLAN WINICK**, **TODD LAZARUS** and **ZACK LECHTER**, Menominee just kept on rolling and scored another 11 runs. With excellent pitching by **JAKE ADDIS**, Kawaga was in fear to go another inning. To relieve them of their stress the men in green pulled a 10 man switch and changed things up. Solid defense by **TREVOR BALBOA**, **RYAN BLUM**, **ANDREW KLEIN**, and **NOAH LAZARUS**, as well as shot-out pitching by all-star reliever **NOAH GILDER**. Today's Lucky Canteen Number is 89. Menominee held Kawaga to what could be described as a blowout as the final score was 23 to 2. Good job boys!

The Kawaga Chronicles: 16 A Ultimate Frisbee

By **MAX FORMAN**

In a physical battle between Menominee and Kawaga, a great effort was given by seven CITs. There were seven starters who took the Ultimate Frisbee field, with zero substitutes. It was disappointing loss for the Menominee Men but they still fought hard. With anchors **ALLEN LEVITAS** and **JEFF GOLDBERG**, the men in green found it hard to believe that we had lost. With a final score of eight to five in favor of The Braves, Menominee sought revenge in softball, mainly in the 16 B game. Even with their confidence down, I was surprised by the hard work of **ALLEN NAPADOV** and **MILES BEAUSEIGNEUR** and their pursuit to fight through the exhaustion of the game. Even though this game did not go in the favor of the Menominee Men, their efforts did not go wasted.

The Kawaga Chronicles: 13 A Basketball

By **ADAM SLUTSKY**

The Menominee Men of the 13A basketball team showed their skills in a tough game against The Kawaga Braves. The team started out very strong, with points being scored and players excelling in defense. Throughout the game, **ELI NEWMAN** fought hard while playing the post down low. **ANDREW BLECHMAN** also had a great game shooting around the three-point area. During the game **DANNY SLUTSKY** tried his hardest keeping the players hydrated and healthy. At the end of the half, Kawaga led by a small margin but the Menominee Men were still in the game. When the third quarter came, Kawaga started to pull away. Even though this was happening the 13A team hustled and played very hard. Showing true determination. The score at the end of the game was 42 to 19 in Kawaga's favor. **SCOTT SHARFMAN** said at the end of the game, "all the players showed great hustle and tried their hardest."

The Kawaga Chronicles: 11 B Softball

By **MATT CHAPMAN**

The softball game for 11 and unders team B was a great game for Camp Menominee, as we won 16 to zero. With **ETHAN WAGMAN** having an unbelievable game, **JARED LEVINE** played a great short center and yours truly, **MATTHEW GOLD** and **GABE NEWMAN** playing infield, trying our hardest not to let balls go by. When the eleven and unders played Camp Kawaga they gave it their all and because of that the score came up in their favor.

The Kawaga Chronicles: 11 A Softball

By **JONATHAN LISS**

It was the start of the 11A Softball game on the 30th of July, and the boys from Menominee were ready to play. The team consisted of yours truly, **BRETT BORRE**, **COLIN WERHANE**, **JOSH LANSKY**, **JAKE SHAPIRO** and **BRETT WEISS**. For the first three innings, The Menominee Men either flew out or got walked. At the end of the 3 innings, the score was Kawaga three with Menominee one. By the time the fourth inning came around, I had not had the chance to pitch. I finally got a strike but one of Kawaga's hitters hit a triple. It was five to one. I finally struck out a batter and then a player grounded out, but the guy still managed to score. At the end of the inning, we were losing six to one. When I got to the side of the field, **JONAH WEISS** told me, 'great job, you couldn't have done anything about their great hits.' In the beginning of the inning we didn't score until two outs later, when Colin Werhane jacked a home-run. Going into the sixth inning, we were all down and unmotivated, until we hit a single. We kept on scoring until it was seven-five and two men on. Then Kawaga's third baseman dropped the ball and got one of our base runners out. Then the umpire said that it was the end of the game. That was only six of the seven inning, **ROBBIE APPELBAUM** said, "we should have won this game!" However, I think everyone who competed during this match showed true Menominee spirit and heart.

Kawaga Chronicles: 1? A Ultimate Frisbee

By **SCOTT SHARFMAN & NOAH ROSENBLAT**

The 13 A Ultimate Frisbee game was held early into the competition with Camp Kawaga, with both teams showing a lot of promise and talent. Kawaga struck first with a long touchdown pass. Soon after the Menominee Men struck back with a quick touchdown pass by **SCOTT SHARFMAN** to **ELI NEWMAN**. Both teams played well and late into the game Kawaga began to pull away. With a three touchdown lead to catch up with, Menominee needed to score. **NOAH ROSENBLAT** took charge throwing a long pass to **ANDREW MEHRHOLZ** for a touchdown. After a Kawaga touchdown Eli Newman sacrificed his body for the team by laying out for a long pass into the end zone by Scott Sharfman. Eli caught the pass, stunning the visitors from Kawaga. After an extremely intense game, Kawaga defeated the Menominee Men ten to eight. The touchdowns from Menominee came from Scott Sharfman, Noah Rosenblat, Eli Newman, Andrew Mehrholz, **TYLER FLANZER** and **JACOB DAITCH**. After the game, Noah Rosenblat was heard saying, "we gave it our best effort."

Blast from Menominee's past

On this day, the 3rd of August, the following events happened:

1999: The Great Storm of 1999 happened. After camp lost to Kawaga in soccer, everyone trekked to the Mess Hall for their meal. Nasty looking storm clouds started to appear, and campers ended up spending an hour in the shelter. Woody exclaimed "Isn't Mother Nature just awesome?"

2003: Woody announced to campers, who had just arrived back to camp from their shopping and eating binges during town day, that the Minocqua Bats would be performing for camp at the show dock.

Imitation Night By JACOB BERLINGER

Did you hear about Imitation Night? Well I didn't hear about it, I was actually in it! I'm in Cabin 15, and we had three acts, aka imitation, to perform. The whole act was finished in about one minute, but we made sure to pack a lot of comedy into it. Our first act was about the shenanigans Cabin 14 gets up to. Notable imitations were off **TOM ADLER**, of how he is forever losing in games against campers, especially golf. Also, **BILLY HEISLER** was at the receiving end of many imitations, depicting his extremely positive attitude. Imitation night was really funny, and all the laughs from the audience was an indicator that everyone enjoyed themselves.

The Kawaga Chronicles: 11 C Softball

By **DAVID MIZOCK**

Following a successful basketball sweep, the 11 C softball team of 23 men got ready for some action. The men in green were more than ready when the Kawaga umpire called play ball. The first four batters for Menominee all successfully reached base before Kawaga was able to record an out. With some great hitting by **ALEX GOULD**, **NOAH BEN-ISVY**, **MAX PTASZNIK** and **DYLAN DRISCOLL**, Menominee was able to score a total of 12 runs before taking the field. In the bottom of the first, spectacular plays by Alex Gould and **ISAAC KLEIN** as well as great stops and scoops by **JACOB BERLINGER** at first base led to a Kawaga 1-2-3 out and just like that, Menominee was up to strike again. Smart base turning by **DYLAN WINICK**, **TODD LAZARUS** and **ZACK LECHTER**, Menominee just kept on rolling and scored another 11 runs. With excellent pitching by **JAKE ADDIS**, Kawaga was in fear to go another inning. To relieve them of their stress the men in green pulled a 10 man switch and changed things up. Solid defense by **TREVOR BALBOA**, **RYAN BLUM**, **ANDREW KLEIN**, and **NOAH LAZARUS**, as well as shot-out pitching by all-star reliever **NOAH GILDER**. Today's Lucky Canteen Number is 89. Menominee held Kawaga to what could be described as a blowout as the final score was 23 to 2. Good job boys!

The Kawaga Chronicles: 16 A Ultimate Frisbee

By **MAX FORMAN**

In a physical battle between Menominee and Kawaga, a great effort was given by seven CITs. There were seven starters who took the Ultimate Frisbee field, with zero substitutes. It was disappointing loss for the Menominee Men but they still fought hard. With anchors **ALLEN LEVITAS** and **JEFF GOLDBERG**, the men in green found it hard to believe that we had lost. With a final score of eight to five in favor of The Braves, Menominee sought revenge in softball, mainly in the 16 B game. Even with their confidence down, I was surprised by the hard work of **ALLEN NAPADOV** and **MILES BEAUSEIGNEUR** and their pursuit to fight through the exhaustion of the game. Even though this game did not go in the favor of the Menominee Men, their efforts did not go wasted.

The Kawaga Chronicles: 13 A Basketball

By **ADAM SLUTSKY**

The Menominee Men of the 13A basketball team showed their skills in a tough game against The Kawaga Braves. The team started out very strong, with points being scored and players excelling in defense. Throughout the game, **ELI NEWMAN** fought hard while playing the post down low. **ANDREW BLECHMAN** also had a great game shooting around the three-point area. During the game **DANNY SLUTSKY** tried his hardest keeping the players hydrated and healthy. At the end of the half, Kawaga led by a small margin but the Menominee Men were still in the game. When the third quarter came, Kawaga started to pull away. Even though this was happening the 13A team hustled and played very hard. Showing true determination. The score at the end of the game was 42 to 19 in Kawaga's favor. **SCOTT SHARFMAN** said at the end of the game, "all the players showed great hustle and tried their hardest."

Green and White, FIGHT FIGHT FIGHT

By the **EDITOR**

Did last night actually happen? Or is the whole camp suffering from a collective delusion? Whether it was a dream or an actual event that happened, the start of Green and White was announced. All campers and counselors were woken up in the dead of the night, and were told to hustle on down to the waterfront, where a campfire was blazing. **STEVE** then announced the overall captains of both factions, who then listed the teams. It was a momentous occasion which sure got everyone pumped for a week full of fun events ahead.

The Kawaga Chronicles: 1? B Soccer

By **NICK KRASNOFF**

It was Friday morning right before lunch, when the Menominee Men faced off against Camp Kawaga in soccer. The game started when the team captain and myself lost at rock paper scissors, so Kawaga chose to kick off. After amazing goal tending by **JEREMY HORWITZ** and great defending from **ADAM SAGERMAN**, **JACOB CHORCHES** and **MICHAEL DMITRIYEV**, the score was nil-nil. The second half of the match was also scoreless, but **ELI LEVENFELD** almost broke the deadlock on a breakaway shot. It all came down to a penalty kick shoot-out. Michael Dmitriyev was heard saying, "this is really intense!" At the end of the shoot-out, the score was still tied thus the game had to go to a sudden death penalty. Menominee lost by an inch when a great player miss hit the ball. Adam Sagerman said, "the ending was fair?" Menominee may had lost in a sudden penalty shootout, but all the players played hard and displayed great heart and sportsmanship on and off the pitch.

The Kawaga Chronicles: 11 D Basketball

By **JACK EICHNER**

The 11 D basketball team faced off with their Camp Kawaga counterparts on a hot July 30th day, and the tip off went our favor as it was won by yours truly. Before I entered onto the court, I had one goal in my mind: to get a win for Menominee. It was a team effort, from **CHARLIE PRICE** setting up great prices to **NOAH GILDER** creating some excellent break-aways. **NOAH LAZARUS** also knocked down some great three-pointers. Today's Lucky Canteen number is 77. I think that I did a good job driving to the hole, and looking for team mates, trying my best to create basket opportunities. Our coach, **BRIAN SCHULZ** did an amazing job leading us to a 35-0 victory! After the game, Brian Schulz said that he was happy that he coached his team to victory and contributed to the overall competition score. Noah Gilder said that even though we lost to Kawaga overall, he had a great time competing in all the sports. All in all, 11 D basketball had an awesome, memorable time playing against Kawaga.

The Kawaga Chronicles: 12 D Basketball

By **JACOB CHORCHES & WILL SILBERG**

At the start of the morning, we were all pumped to take on Camp Kawaga on our home turf. We played a great first quarter, with the score tied at two to two. Our points coming from a basket score by Jacob Chorches. As the game progressed, tons of rebounds were made by Will Silberg. To add to this, there was great ball handling by **TYLER SHWACHMAN** and **MATT HORVITZ**, sadly the game ended in Kawaga's favor due to their countless subs. Even though the Menominee Men lost 28-9, our boys stayed focused and determined throughout the game. **ADAM SAGERMAN** was heard saying, "We played hard."

Blast from Menominee's past

On this day, the fourth of August, the following events happened at Camp Menominee:

- 2002: The Menominee Masters took place, the finalists being Ross Feldgreber, Seth Pakula and Daniel Kaplin. Seth emerging as the victor with a score of fifty.
- 2005: Camp Menominee held host to an awesome party for Camp Birch Knoll. A-Z Entertainment provided the music and fun for the night.
- 2007: Doc's Run took place, with the quickest times coming from Michael Styracula 30:43, Jeff Goldberg 31:58 and Ross Festenstein 32:37.

The Kawaga Chronicles: 11 @ Ultimate Frisbee

By **JONAH JACOBS**

On a competitive day at Camp Kawaga, Menominee 11 C Frisbee team prevailed after a tough match with the home side. In the first half of the game, Kawaga was beating the men in green three to one. Coach **DAVID MIZOCK** gave his team a pep talk at half time, as an attempt to install determination and drive in us all. Immediately **JACK EICHNER** made two great touch-down passes to both **DANIEL BEN-ISVY** and **RYAN BLUM**. Jack was heard saying, "I never thought I'd be able to do that!" After a few minutes, we scored another touchdown but Kawaga answered this with a touchdown of their own. After a long period of no touchdowns, **ETHAN WAGMAN** entered the foray, determinate to end this excruciating stalemate. After a struggle for possession, Menominee finally got the Frisbee. Wagman bombed the Frisbee down to **JUSTIN OLSON** for a last second touchdown. Justin was heard commenting, "I can't believe I made that catch!" Final score: Menominee five, Kawaga four. I would like to say a big thank you and congratulations to my fellow sportsmen, for showing true Menominee spirit and heart throughout the match.

Blast from Menominee's past

On this date, the fifth of August, the following events happened here at Camp Menominee:

1968: Camp Menominee defeated Camp Towering Pines in a three-event competition: archery, riflery and tennis. Menominee won all events at both home and away.

2003: Dress up Day took place in Wasserman Hall. Lenny Bloom dressed up as the Meat Man, Brian Schultz's rendition of 'The Guy in the Kayak' was noted for its excellence. However the White team won it with Logan Radlove's dress up as a hick.

2005: Menominee defeated Camp Timberlane in a 12 event extravaganza The end result being nine to three in CM's favor.

The Kawaga Chronicles: Wrestling

The Magical Comeback by LENNY BLOOM

After a long day of a hard fought competition with Kawaga, both camps gathered to cheer their respective camps for the all camp wrestling meet, with the winner taking home the Ron Silverstein Cup. The meet started out at the 60lbs and below weight class, with **JONNY BLOOM** wrestling for Camp Menominee. After a hard fought match, Jonny lost 9-8 after being called on two questionable penalties which cost him two points. After two tough losses for the Menominee Men, **JARED LEVINE** came up with a much needed pin at the 80lb weight class, upping the team score to a tie at six-six. Camp Kawaga then came up with four consecutive pins to pull away from Menominee at 30-6. Menominee kept their heads held high as **COLE NEUMAN** began the rally back to victory with a major win. Today's Lucky Canteen number is 130. Menominee didn't hold back and recorded five wins in a row by yours truly, **MILES BEAUSEIGNEUR, JOEY ZINSKY, JED STONE** and last but most definitely not least, **JONAH WEISS**. Camp Menominee was able to an incredible comeback as they won the meet, and the Ron Silverstein Cup with a score of 44-42. Thanks to coaches **JAKE HOCKMAN** and **KOZ** for great counseling and coaching.

The Kawaga Chronicles: 13 @ Softball

By JACOB DAITCH

As the 13 C softball game against Kawaga started, the whole team was pumped up. Right before we entered onto the field, **DANNY SLUTSKY** said, "let's kick some butt." The game was very good according to **JACOB CHORCHES**, as it was very close until the very end. **TYLER SCWACHMAN**, a valuable member of the Menominee Men, was our pitcher for the game. Everyone in the field though it was a great game, including **HARRIS LIVINGSTON**, who was heard saying, "this game is awesome!" In the end, Camp Menominee beat Camp Kawaga 15 to ten with great catching by **BRETT DAVIDSON**. A big thank you to all my fellow teammates, as you all displayed true Menominee Indian spirit and sportsmanship.

The Kawaga Chronicles: 16 A Basketball

It was July 30th and it was the day we were all waiting for. Camp Menominee was playing Camp Kawaga in the 16 A basketball game. We knew their team was really good but we kept our heads up high. **JACK LAZAR** started us out giving a great three to take the lead. Lazar and **CAMERON RUBIN** seemed to never miss. We were playing great as **LENNY BLOOM** guarded Jud Barren, the star basketball player at Kawaga. Today's Lucky Canteen number is 53. He held him off for only four points first half. After the second half started, we began to lose it as it turned into a fun game to play in. Cameron Rubin was heard saying, "This doesn't happen!" Lenny Bloom was also heard saying, "Jud is getting so flustered." Although we lost to Kawaga 82-26, we had a fun time playing. Many thanks to **ROBBIE APPELBAUM** for his great coaching.

The Kawaga Chronicles: 11 @ Basketball

By **JACOB BERLINGER**

We won in the 11 and under team basketball against Camp Kawaga. In the first minute, we were down by two nil. When half time came by, the score had shot up to 16 to two in our favor. Our coach **RICHARD NAGLE** was very pleased to say the least. Then by the end of the game the score was 24 to eight, giving Menominee a much needed win. I would like to say thank you to all my fellow team mates who played with a great attitude and showed true Menominee determination

The Kawaga Chronicles: 11 B Basketball

By **MATTHEW GOLD**

Hi my name is Matthew and I will tell you about the 11 B Basketball against Camp Kawaga. The Menominee Men consisted of yours truly, **ROSS FISHER, JARED LEVINE, JONATHAN LISS, BRETT WEISS, GABE NEWMAN, DANNY VORONOV** and our coach was **MAX FORMAN**. Brett Weiss' dribbling skills had everyone amazed. Yours truly was the point guard, Levine and Liss were the wingers, Brett was the shooting guard and Voronov played the center position. Levine proved himself to be determined and focused, showing aggression on the court. All in all, Menominee won the game by ten points. I would like to thank everyone involved in the game, for showing heart and sportsmanship.

The Kawaga Chronicles: 16 A Soccer

By **ALLEN NAPADOV**

Early Friday morning, the Menominee Men took to the pitch against the boys from the swamp. With great physical play from defenders **JOEY ZINSKY** and **LENNY BLOOM**, as well as stellar goal tending from **ZACH TAUB**, Kawaga was held to just one goal in the first half. With help from forwards **DAN GASSEL, CAMERON RUBIN** and **MILES BEAUSEIGNEUR**, we created offensive opportunities, nearly scoring on multiple occasions. Despite our efforts, Kawaga scored two more goals making it a three-zero game. Still we kept our heads high, and we fought hard to the end. Eventually midfielder **ALLEN NAPADOV** put a shot in the back of the net, which cut the deficit to two. We had a few more chances but could never truly capitalize on them, as we fell in defeat three-one.

Blast from Menominee's past

On this day, the sixth of August, the following events happened here at Camp Menominee:

1998: Casino Night campfire took place in the Mess Hall, ran by the Senior Cabin. The games played included: Guts, Spin the lazy Susan, Black Jack, Poker, Coupe and Roulette.

2007: Field Day took place, and it was a complete success. Both White and Green teams competed in soccer, softball and basketball.

2008: Counselor Hunt happened, and everyone had a blast. Ethan Ritz said, "Adam Sovanski and Ian McCallum were found at the farthest edge of camp."

The Field Day Edition

Monday 9th August 2010

Green and White Field Day

As the competition heats up between the Green and White factions, it was announced yesterday in Wasserman Hall by **STEVE** that camp would be hosting Field Day 2010. Everyone was ecstatic about this news as Field Day is known to be one of the most competitive and fun events on the Menominee calendar. The Greens will face the Whites in **Basketball, Soccer, Archery, Riflery, Volleyball, Tennis** and **Neucomb**.

When Minocqua met Menominee..

By the **EDITOR**

Yesterday was Second Session Town Day for campers and staff at Menominee. Everyone departed the Friendly Confines in the afternoon, bound for Minocqua. Every camper received \$25 once they stepped off the bus, and together with any other money they may have had stored, it immediately started to burn a hole in their pocket. Campers were seen to be buying a wide range of purchases, from books and t-shirts to electronic voice-changers and cheese-hats. **LOGAN BALBOA** was heard saying, "I love Town Day, it's awesome!" **ISAAC KLEIN** was also heard commenting, "Spending money is fun!" Campers and staff dined at various eateries spread across the picturesque quaint town, from sushi restaurants to candy parlors. To top off an already excellent day, everyone gathered in the evening to go and watch the Minocqua-Bats spectacular ski show down at the lake. Ski-magician, Jacob Kreger, was especially awe-inspiring. **RICH WILSON** summed up the whole day by exclaiming, "this is simply the best day of my life! My time on Earth has peaked." Many thanks to all campers for behaving properly in the stores and around the general public, and to the staff for displaying great supervisory skills.

The Menominee Masters

DAVID RIBOT, ANDREW BLECHMAN, JACK LAZAR and **WILEY SHAPIRO** all played the Menominee Masters final at the Eagle River Golf Course for the Menominee Masters. Today's Lucky Canteen number is 148. Congratulations to David Ribot who took the honors and got his name on the Menominee Green Jacket. Also, many thanks to **TOM ADLER** and **BRIAN SCHULTZ** for organizing this great event and training the participants.

Doc's Run 2010

What a great Doc's Run we had this year. Everyone who took part in the 4.5 m run finished, so regardless of what your finishing time was, everyone is a winner. However, your Doc's Run champion for 2010 is **JEFF GOLDBERG**, he successfully defended his title by finishing first. We didn't just have runners competing this year, we also had roller-bladders and cyclists. Thanks to **KOZ** and **ADAM AINSCOUGH** for organizing the run and the practice sessions that led up to it. Great job guys!

Green and White Sing Night

By the **EDITOR**

Every camper entered Wasserman Hall last night, smiling like Cheshire cats, determined to sing their hearts out for their color. The Greens were first to step onto the stage and with the help of their captains, **JOSH ROSENBLAT** and **COLE NEUMAN**, they belted out their team's melody. They finished to frenzied applause from the audience, then it was White's turn. The White team, guided by their musically disciplined captains, **DAVID RIBOT** and **JACK LAZAR**, sang their guts out to their team's song list. It was an excellent display of vocal ability and heart. It all goes to show, practice truly makes perfect. After all the serious, points-based singing was finished, it was time for the CITs to make their way onto the stage, so they could deliver their rib-tickling laugh-a-thon song. After the CITs made their way off the dais, the stage beckoned the counselors to perform their number. The audience knew that the counselors would sing a group song, but they didn't expect to be treated to the spectacle of a crazy sing-along courtesy of perspiring counselors. Before everyone was dismissed for Taps, it was announced that the White team's performance was deemed superior. Many thanks to all those who took part, it was a great night.

Birthday Wishes The Kawaga Chronicles: 12 B Basketball

Happy Birthday to **JUSTIN OLSON** who **12** turned today!

By **JAKE FISHBEIN**

It was Camp Menominee versus Camp Kawaga and the five boys in green and black entered onto the court with one goal in mind: win! The team consisted of **JACOB DAITCH**, **MICHAEL DMITRIYEV**, **NICHOLAS KRAUSKOPF**, **ELI LEVENFELD** and **TYLER FLANZER**. The game went back and forth, at one point the Menominee Men were down by eight points. Then we started to come back, but the deficit was too great. Today's Lucky Canteen number is 44. The final score was 23 to 18 in Kawaga's favor. Nicholas Krauskopf was heard saying, "it was a thrill to play basketball for the camp." Michael Dmitriyev offered his own comforting words by adding, "we kept our heads high even though the score was not in our favor. Good job guys!"
