Big Brother Little Brother Fortnite

By Xander Schiller and Adam Phelps

The sun was shining on a beautiful evening at Camp Menominee as we got ready to play our first Big Brother / Little Brother event of the summer. Fortnite is a very popular online game which many of our campers love to play. Therefore, Program Manager **ETHAN WEISS** and counselor **JAKE HERMAN** created "Menominee Fortnite," a real-life adaptation of the popular game which they knew our campers would enjoy. Campers paired into groups of two or three (these were their 'brothers') and were to attempt to eliminate other teams by squirting them with squirt bottles. As the game began, the teams had the opportunity to have one minute of looting. **MAX BEERMANN** made a quick start and looted a number of squirt bottles. Meanwhile, **JORDAN GETNER** and **ZACH FORMAN** both gained squirt bottles and were ready to begin the Battle Royale. As the game began, **CADE COLBY** was stocking up on loot at 'The Way' before **XANDER SCHILLER** came up behind him and eliminated him. Throughout the game, counselors created a moving "storm" which, if caught inside, would put a camper at risk of elimination. As the game entered its closing stages, **JACK FORMAN** was eliminated despite producing some amazing swiftness and adept water gun shooting skills. **JACOB SCHNEIDER** and **AUGGIE FLICK** were the winners with **JACOB** acknowledging that their successful strategy was "camping and riding the storm." Commiserations to **PAYTON PICUS** who came in a close runner-up. Well done to all Menominee Fortnite teams for such an awesome game.

Horse Racing Night

By Josh Namordi and Adam Phelps

After canteen, the Senior Cabin ended a perfect day in the Northwoods by hosting the CM favorite, Horse Racing night. The Senior Cabin were to be the "horses" while our youngest campers (Cabins 3 and 4) dressed in their craziest outfits and become the "jockeys." **DRAKE ELMAN**, **FIN DORAN**, **BRAYDEN SUBRIN**, **HUDSON DEUSTCH**, **COOPER BORSTEIN** and **CHARLIE SANFORD** impressed as jockeys and were all competing for the win within their race. **ZACH** wore his chicken hat and an XXL shirt he borrowed from one of the counselors, **BRAYDEN** wore an octopus hat, **COOPER** wore a dragon onesie and many of the other jockeys wore shorts and pants on their head. All other cabins were to send a representative from their cabin to 'bet' on the winning horse in each round. The winning cabin would be the cabin who finished with most money at the end of all rounds. Each cabin began with \$600 and thanks to a brilliant idea by **JONAH GAGERMAN**, Cabin 6 split their money across all horses to maximise profits. After the races had begun, rumours began to spread that the CIT's, led by **JAKE HOODACK** and **TODD LAZARUS** were bribing the Senior Cabin with food for inside information. This was to be in vain however, as when all monies were counted and verified, the winners were Cabin 6 with \$7.3million. Cabin 17 came in a close second with \$7.16million and Cabin 15 finished third with \$4.1million. Congratulations to the winners, Cabin 6; **OWEN MCCORMICK**, **FINN FELDMAN**, **MAX AGINS**, **JACKSON MERCHANT**, **ISAIAH COLLIER**, **JOSH NAMORDI** and **CARTER KLEIN**.

Keeping Camp Running

By Editor

Keeping our Camp running on a daily basis is not an easy task. Our fantastic caretakers this year; **CRAIG DOBSON** and **JOSEPH STAPLETON** have been working hard to make camp look perfect for the summer ahead, including setting up a new beach volleyball court. **ANDREA VARGAS** is our friendly cabin housekeeper and we welcome **DAISY STEINER** back to the administration team.

Five Tips to a Clean Cabin By Editor and Owen McCormick

After finishing 1st in their division four days in a row in Cabin Clean-up, Cabin 6's **OWEN MCCORMICK** had some top tips to help all other cabins improve their scores:

1. Make your bed as soon as you get up, so you do not need to do it in clean-up time and can spend more time on more harder jobs.
2. When doing your cleaning jobs, focus and do not get distracted.
3. Divide jobs between all cabin members so all areas are being cleaned.
4. Volunteer to help others if you finish your job earlier than them.
5. Ask your counselors to provide encouragement and motivation because this helps you feel good about the job you are doing.

Eat Well. Grow Strong By Editor

Being at Camp is tiring so make sure you get your rest and eat well. Cooking our meals this summer will be **MIKE TAYLOR** and **MERCEDES CLARK**. While in the mess hall, you may bump into one of our lovely kitchen staff; **CHRIS KOPKE**, **JESUS GARCIA RAMON**, **NATHALI TORRES ISLAS** or **JOSE MEDINA VILLEGAS**, so please make sure you scrape your plates and clean your tables to help them with their job. Lastly, before all meals, please ensure you wash your hands and use the hand sanitiser that will be provided to you by the men on line.
