## Menominee Way Trait Week One: Attitude By Editor

Each Sunday night, the Camp Menominee CIT's present The Way. This ceremony highlights a specific pillar of the six characteristics our camp calls The Menominee Way. This week, the CIT's decided to discuss 'Attitude.'

"Attitude: A positive attitude does not mean ignoring life's troubles. It just means being an optimist and looking for the good in things, rather than being a pessimist and concentrating on the bad in things. Sometimes your perspective can make all the difference in the world. The following 8 individuals embody this trait."

CIT's presenting The Way.

Congratulations to the following individuals who were honored for their exemplary attitude.

**PATRICK MCCORMICK** was recognized for his ability to find the positive in every scenario. **PATRICK** can always be found dancing around the Camp and doing the splits and his attitude is infectious. He demonstrates an amazing attitude and willingness to become involved in all sports he participates in, even if he is not on the winning team.

**CARTER KLEIN** is a second-year camper and already shows the Menominee attitude and knowledge that would be expected of someone with a lot more experience. He can always be found encouraging his friends during activities with amazing passion.

**ASHER DIAMOND** is a very athletically gifted camper. His attitude is demonstrated through the encouragement he gives to both older and younger campers. When in a team situation, he is always helping all campers to become involved, regardless of their ability and encourages them to try their best.

**HENRY MILLER.** This is **HENRY's** third year at the friendly confines and his attitude is demonstrated through everything he does every day. He can always be seen scoring goals out at soccer or swinging for the fences in softball and it is **HENRY's** infectious smile that is helping brighten everyone's day.

**JACK KAPLAN.** Due to his back injury, it would have been easy for **JACK** to have returned to Camp later in the summer once he was fully healed. However, his attitude has brought him back. **JACK** has not let this injury hold him back and despite not being able to play the sports he loves, he is always found encouraging his team from the side.

**ZACH AKIN** is a first-year camper here at CM. His attitude has been demonstrated through taking his leadership role in the Senior Cabin to the next level. **ZACH** loves to help younger campers and genuinely cares about them. He has a smile that you can see for miles and really enjoys the Camp atmosphere.

**JAKE JONES.** After a brief hiatus, this is **JAKE's** fourth year here at CM. **JAKE** can always be seen helping campers with softball, hockey or football. No matter whether it is a close game, a big win or a defeating loss, **JAKE** can be always be seen with a smile on his face and encouraging others to do the same.

**ADAM BALTZ.** As a first year counselor it can be very tough. Adam however, took his role as a Senior Cabin counselor within his stride and is continually encouraging his kids, whether that be down at the fishing docks or on the water front. His volleyball skills have taken CM to the next level and he thoroughly enjoys everything he does.

## Menominee Key Log Ceremony By Editor

After the CIT's presented The Way, **PAMELA ADLER** led the Key Log Ceremony. The Menominee Key Log ceremony began nine years ago thanks to **PAM** and **THOMAS C ADLER**. Wisconsin is famous for logging throughout the 1800's and 1900's. During that period, loggers tied thousands of logs together and floated them down the Wisconsin river. Of these thousands of logs, there was one which bound them all together – called the 'Key Log.' This one log would need to be pulled to release the others down the river. At Camp, any counselor, camper or staff can throw a log into

Attitude Determination Heart Leadership Spirit Sportsmanship

the Camp Fire as a tribute to those who have done something, which they feel should be recognized. Throughout the ceremony, over 30 individuals stood in front of the Camp Fire and recognized counselors, campers, cabins, parents, staff and Menominee firsts in a very peaceful and pleasant way to end our first week at Camp.

### Menominee on Ice By Jeff Toombs

Over 20 CM Campers hit the Ice in Rhinelander yesterday. **DRAKE ELMAN** and **ISAIAH COLLIER** were early to sign up for this awesome Lazy Day Sunday addition. The campers were hustled into an early lunch by CIT's **JAKE HOODACK**, **TODD LAZARUS**, **LOGAN ROSENGARD** and **JOEY FINFER**. Fed and ready for the bus ride, **JOEY HOFFMAN** and **COOPER SPECTOR** chose the music play-list for the on-ice escapades. A Cabin 14 favorite "Stacy's Mom" had **JONAH** and **FINN FELDMAN** "flossing" on skates. First time skaters, **JESSE KAPLAN** and **ISAIAH GOLDSMITH** were soon cruising the rink with the help of the veteran skaters **JACKSON MERCHANT** and **LUKE LESHIN**. The boys all had a blast and **DASH WINDLE** even went home with an official "Rhinelander Hodags" puck! Thanks again to **JASON** and Rhinelander Ice Association.

Jackson with his official puck.

### 3-on-3 at General By Ryan Weil, Charlie Eisenberg and Ethan Weiss

'Twas a warm day at the friendly confines. The 12 and unders finished up a little King of the Camp basketball out at the Dunleavy Courts. Campers **RYAN WEIL**, **AARON PELTS**, **CHARLIE EISENBERG** and **ASHER DIAMOND** along with counselors **ETHAN WEISS** and **BENJIE SOREN** stayed at the courts for general. They split into teams of 3 and started the game. The first team was **ETHAN**, **CHARLIE** and **RYAN** whilst team 2 consisted of **BENJIE**, **ASHER** and **AARON**. The game started off with **ETHAN** and **RYAN** getting some quick buckets. However, team 2 was not done yet and they made a nice comeback to take an 11-9 lead. But, with some good passing, **CHARLIE**, **RYAN**, and **ETHAN** retook the lead. On the assist by **RYAN**, **CHARLIE** was able to hit a 3 pointer to make the score 20-15. **ASHER** was able to hit a nice step-back jumper off a great pass from **AARON**, but with good teamwork, Team 1 was able to take the W. The teams shook hands in traditional Menominee fashion after what was a great way to start off an afternoon general.

### Chippewa Social By Editor

On a sunny Saturday, **JASON** stood up in the Mess Hall to give his usual lunch time announcements. Little did the Campers know, the last announcement **JASON** was going to make was to inform everyone about a pajama themed social night with Chippewa Ranch Camp. Once afternoon activities had been completed, the campers hastily made their way to the showers and began planning what they would wear. Many of our campers dressed in their pajamas, while some of our older campers and counselors sported jerseys. While at the social, **PATRICK MCCORMICK** and **MARLON STEWART** drew in large crowds as they began dancing, **JAKE HOODACK** and **JONAH GAGERMAN** were extremely excited to see their sisters, **ELI FELDMAN** allowed many girls to write their phone numbers up and down his arms and **JACKSON WUSTNER** and **SHANE O'RIORDAN** showed off their singing voices. It was a great social allowing many of our campers to see their sisters, cousins and friends and we thank **JASON** and the Chippewa staff for organizing.

Conga line at Chippewa Social.

Patrick amazing everybody with his dance moves.

Jonah Gagerman was very happy and excited to see his sister.
