12 and Under Archery By Jake Goodman

Menominee 174, Timberlane 165

The twelve and under Menominee archery team fought a hard and close battle against a very good Timberlane team. Menominee's first shooter, **ISAIAH GOLDSMITH** fired his arrows confidently into the target. Although **ISAIAH** was shooting extremely well, Menominee were trailing Timberlane by five points. **MILES PROVUS** was next up for Menominee and as he walked up to the line to shoot, he knew that he needed to shoot extremely well to overturn the deficit. Not only did he accomplish this, but **MILES** led Menominee into a twelve point lead. With Timberlane's best shooter up next, **BEN FLICK** stepped up for Team Menominee. **BEN** produced some amazing shooting to hold and as we went into the last two rounds of shooting, the two camps were tied. Being an experienced shooter, **JACK WALTERS** secured a nine point lead after his shootout leaving **CHASE ENGEL** to step up to the line to secure the win. **CHASE** did just that as he tied with his opponent and gave Team Menominee a nine point win in the archery event.

Accuracy is key

12 and Under Basketball By Isaac and Brett Weiss

Menominee 43, Timberlane 13

It was a beautiful afternoon full of sunshine when Menominee stepped onto the basketball courts at Timberlane. At the beginning of the game, CM jumped out to an early lead due to stellar scoring from **DANIEL SHAMAH**, **JACOB SCHNEIDER** and **ASHER DIAMOND**. **DANIEL** was the standout player throughout the game as he also played great on the defensive end, racking up multiple steals. In the later stages of the game

The 13 and overs from CM had a great time competing against their opposition from Timberlane. The first match to complete was that of **AIDEN SOLOMON**, who defeated his opponent 8-3. This great news was quickly followed by an 8-1 victory for **LOGAN ROSENGARD** and **ANDREW MARKS** in their doubles two match up. The momentum was with Menominee at this point and they were hoping this would continue through the remaining three matches. Each match finished with a theme of suspense as each came down to a tiebreaker. **SAM GOODMAN** and **RYDER SPECTOR**

recovered from an early deficit to narrowly win the final tiebreaker 7-5. **DANIEL MALIS** was proclaimed the victor of his singles one match after a nail-biting tiebreaker which was back and forth. **DANIEL** won the tiebreaker 7-5. Lastly, the final match of the afternoon featured **CHARLIE RATTERMAN**, who was able to edge out his competition in the decider 7-4. The future of CM Tennis seems to be brighter than ever.

Warming up before the game

13 and Over Soccer By Josh Ingram

Menominee 1, Timberlane 7

The Timberlane competition is always one of my favorite days of Camp. A day of healthy competition and most importantly, sportsmanship. The morning started with Timberlane soccer practice on Woody's pitch, where every player gave 100% and could not wait for the afternoons events. 2pm rolled around and the Timberlane busses arrived. Soccer was the first event on the schedule so everybody was mentally and physically prepared. The boys in green started off strong with a long-range effort from **ISAAC MILLER** and some brick-wall defending from **TYLER LONGNECKER**. The deadlock was broken in the 11th minute when a Timberlane player beat **JAKE HOODACK** on the right-hand side. Timberlane went

on to score two more before **ISAAC** hit home a penalty for CM. 1-3 at the half. After half time the floodgates unfortunately opened for CM as a very talented Timberlane ran out 7-1 winners. Keep your heads held high and better luck next time boys!

12 and Under Football By Adam Baltz

Menominee 41, Timberlane 13

The 12 and under football team defeated Timberlane with the help of excellent coaching and play calling from **ETHAN MANN**. Two early TD's from **JACK BERGER** and **AIDEN PATRUNO** gave Menominee a 14-0 lead. Timberlane, however came back and closed the gap to just a single point and trailed 14-13 as the end of the half approached. **JAKE FELDMAN** connected with **BRADY KAY** for a TD as time expired leaving Menominee leading 21-13 at the half. At the start of the second half, Menominee continued where they left off as **JAKE** connected with **AIDEN** for a TD on the opening possession of the second half. On the following drive, **THATCHER SCHILLER** picked off Timberlane's QB for a pick 6 TD to make it 35-13. Late into the fourth quarter **BRADY** threw for another touchdown as he connected with **JACK**, leaving the final score 41-13.

Counselor Softball v Ojibwa By Benjie Soren

Menominee 8, Timberlane 7

The Menominee counselors went into Ojibwa looking for back to back wins against the opposing camp. The men in green started off quickly with three runs in the first innings and then forcing three outs with the first three Ojibwa batters. **ADAM BALTZ** and **BRETT WEISS** were looking very comfortable out in the field as Green Nation held a shutout throughout the third innings. CM added three more runs to lead 6-0 at the top of the fourth. However, in the fourth innings the Ojibwa batters woke up and scored big leaving the game tied 6-6. Despite the tough innings, **ETHAN WEISS** and **JASON** made sure Menominee kept their cool as they entered the fifth inning. This seemed to work as Menominee demonstrated their defensive prowess once again and held Ojibwa scoreless throughout the fifth and sixth innings. Meanwhile, CM added two more runs creating a 8-6 lead going into the bottom of the seventh and knew that they would need to play well to hold on for the win. In the seventh, Ojibwa scored one run to trail 8-7. In the last moments of the game, Ojibwa were on 2 outs but had the game tying run on third base and the winning run on first base. Lucky canteen 88. However, Ojibwa were unable to capitalise on this good positioning as some brilliant pitching from **BENJIE SOREN** forced the Ojibwa batter to only hit the ball to short centre where **JAKE JONES** was there to catch the ball and win the game. Menominee softball proved once again why they are the best in the Northwoods.
