THE GREEN AND WHITE EDITION

## It's Green and White! By Jake Herman

Last night after canteen, all campers and counselors were called down to the campfire on the shore of Sand Lake. When they arrived, it was clear that this was no ordinary camp fire. On the beach the white team were making a huge scene as they huddled around a fire celebrating their past victories, while **WOODY** boasted of their glory. However, the celebrations were short-lived as the Greens' past captains stormed the beach in their canoes, eager for revenge and armed with bats and water balloons. **JEFF TOOMBS** called a halt to the invasion just as the Greens stormed the beach and announced that there was only one way to settle this next chapter of the battle: It's Green and White 2018! The previous year's captains: **BEN ZELKEN, TODD LAZARUS, JAKE HOODACK** and **LOGAN ROSENGARD** nominated their respective teams' new leaders with inspiring speeches that talked about the strategic and athletic qualities each captain held and how these would make them a successful leader. Each new captain was then "branded" with their team color and letter in paint on their shoulder to ceremonially begin the storied tradition that is Green and White.

## Cabin Wars Sneak Out By Adam Phelps

Sneak outs are always a fun way for counselors to 'sneak' their campers out of their cabins, often at night and go somewhere in camp to enjoy a cabin activity. Leading up to their sneak out, cabins 5 and 6 had been at "war", thanks to clever pre-planning from their counselors. There had been several instances where **JADEN DONSKY** and **ELI FRIEDMAN** had infiltrated cabin 5, ready to do battle. Likewise, **DRAKE ELMAN** and **ROBERT LOQUERCIO** had done the same and had looked to enter cabin 6 to try settle the battle and win the war. During the sneak out, neither cabin knew what was going to happen and neither knew that the other cabin was also involved in the sneak out. Cabin 5's counselor, **JOSH BROOKSBY**, woke his cabin up after Taps and led them out, past Woody's pitch to where 'The Way' ceremony is held. **JOSH** either gave his campers a plastic laser gun or a noodle as a sword and told them that they were going to attack Cabin 6 as they arrived and crash their sneak out. However, unknown to the campers, Cabin 6's counselors **ADAM PHELPS** and **RAY OUTRAM**, along with **MAX WEINGARDT** had woken their campers up ten minutes after Cabin 5 and had told them the same thing. Upon arriving at the fire pit, Cabin 6 encountered a sneak attack from Cabin 5. **TYLER FIELD** and **CHASE KAPLAN** had to defend themselves from **JORDAN TOMLIN** with swords while **JADEN DONSKY** was fending off an attack from **DRAKE ELMAN**. Both cabins fought one another with their 'weapons' before a truce was called by the counselors. Lucky Canteen Number 135. The cabins then came together to have S'Mores around the burning fire and settle their differences once and for all, while sharing stories and laughing about the fun they had. Like most sneak outs, this one small moment will be forever remembered between the boys in cabins 5 and 6 and looked back on with great memories. Thank you to all the boys for getting into their cabin war and enjoying the sneak out and to the admin for allowing the sneak out to take place.

## Timberlane Competition By Editor

Yesterday afternoon, the 13 and over boys travelled to Timberlane and the 12 and under boys stayed at CM for the Timberlane competition. However, what is now seeming like a tradition, after only completing the first round of activities, the skies opened and rained heavy on both Camp Menominee and Camp Timberlane. Unfortunately, due to the weather and due to the possibility of thunderstorms, the competition had to be cancelled and the boys headed back to their respective camps. Despite the cancellation, well done to both camps for competing with perfect sportsmanship and attitude throughout the activities that were able to be completed and fingers crossed for better weather next time we have the chance to play Timberlane.

## 12 and Under Soccer By Sam Miller

Menominee 8, Timberlane 0

The 12 and under Menominee soccer squad took to Ingram’s pitch with confidence on Monday vs a tough Camp Timberlane side. Menominee had fielded a strong starting eleven and felt comfortable from the first whistle. CM went straight on the attack and opened the scoring early thanks to a beautiful left-footed strike, over the head of the goalkeeper, by **LUKE LARAMORE**. **HENRY MILLER** once again stole the show and scored a hat trick, with two goals in the first half and one in the second. **TYLER FIELD** added to the scoresheet in the first half with a brilliant finish into the bottom corner of the goal, after a perfectly played through ball from playmaker **EMMETT KREZ**. **JASON NEIDER** added a fifth goal for CM before half time with a strong finish from just inside the box. Half time, CM 5 Timberlane 0. As the second half began, CM went on the attack once more and scored their sixth through **HENRY MILLER’s** hat trick goal. **JASON NEIDER** continued the rout with his second of the game before **ADAM STEIN** put away a cheeky volley from just outside the box, making it 8-0. **ETHAN MANN**, **CHARLIE TAYLOR** and **ZACH BEN-ISVY** all played well in anchoring the strong Menominee defense. Well done to all players for playing in such a dominant performance.

## 12 and Under Tennis By Coltan Gage

Menominee 5, Timberlane 1

The tennis matches between Camp Menominee and Camp Timberlane were all amazing to watch. **HARRISON HOFFMAN** put on a fantastic display of Tennis, making nearly every shot to the point where his opponent was struggling to make a return. **DYLAN COHEN** and **CARTER ZIRLIN** both played outstanding and overcame their opponents thanks to hard, but accurating serving. **JACOB SCHNEIDER** approached his doubles match with team mate **BRADY WEISS** with an air of confidence about him. **JACOB** had said that this match would be his “redemption” as he had lost his match against the camp from the west. **SCHNEIDER** and **WEISS** were too strong for their Timberlane counterparts and easily took victory. In another doubles match, **SAM ROSEN** and **NATE BEERMANN** showed no mercy on their court and pounced on every loose ball to win 6-1. Lastly, **JJ BARBER** put in a valiant effort, narrowly losing his matchup. **JJ** battled hard in his first competitive game on the court for Menominee and showed that he will be a force in future years. Well done to everybody for showing great sportsmanship and representing Menominee in the right way.
