

# The Menominee Megaphone

THE BRITISH AND AMERICANS EDITION

THURSDAY JULY 5, 2018

## BRITISH 4, AMERICAN 3

### Message to Garcia By Jake Goodman and Editor

After an fun-filled couple of days, the British came out on top in a very close B&A 2018. Going into the last event, the teams were tied at 3-3 and much like our previous inter-camp competition, Sun and Wind, we were in another winner takes all scenario. The last event of the competition would be Message to Garcia. We have many traditions here at Camp Menominee and one of them is playing Message to Garcia on the fourth of July. In Message to Garcia one team is on offense and one team is on defense. The team on offense tries to cross from the line on the service road to the line on OCR without getting squirted by the defending team. **ELI FELDMAN** produced a stand out display on defense, squirting numerous opposition attackers. **DASH WINDLE** and **BEN FLICK** managed to evade being squirted on a number of occasions due to their speed and **JAKE REINHARDT** was able to sneak past a number of defensive players. When reading out the final results, Program Director **ETHAN WEISS** said “this is the closest British and American result I have seen in my nine years at Camp.” Congratulations to both teams for making B&A 2018 the best one yet and congratulations to the British team and captain **SAM MYERTHALL** for winning Message to Garcia 18-17 and taking the overall B&A victory.

### Land and Water By Adam Phelps

The boys at CM participated in eight different activities in the Land and Water event. The campers were split up within their age group and would participate in four activities on land and four on water. The land activities included Dizzy Izzy's, tug of war, a wheelbarrow race and circle dodgeball. The water activities included fill the canoe, the sweatshirt relay, potato on a spoon relay and the greasy watermelon game (with a rugby ball). In the 12 and under age category, the American team took the win in the water section thanks to wins in greasy watermelon and the sweatshirt relay, led by **LEXX MALKIN** and **JOSH NAMORDI**. The British however took the land portion of the event after winning tug of war, the wheelbarrow race and circle dodgeball. **DRAKE ELMAN** and **TYLER FIELD** were the stand out performers in circle dodgeball thanks to their swift movements and brilliant dodging. In the 13 and over age category, the American team dominated both land and water and can thank their captain **TYLER LONGNECKER** for leading the charge. **QUINN KNEWOW** and **JACK BEHAR** produced stand out performances within the water activities which helped America take the overall victory in the Land and Water event.

### Revere's Ride By Sam Miller and Isaac Weiss

After an exciting first day of British and American 2018 action all of our campers were ready to get into bed with the exception of our seniors, who were waiting to play this year's edition of Revere's Ride. The objective of this game, is to unscramble a famous quote from the time of the American Revolution based on letters gathered from various locations around camp. The locations of these letters are hidden and they must be found by decoding a clue. A special shoutout to **AUGIE FLICK** for his ability to quickly solve some of the locations and to **TODD LAZARUS**, **DANIEL MALIS** and **ISAAC MILLER** for successfully solving the final quote: “We must all hang together or most assuredly we shall all hang separately” – Benjamin Franklin, which helped the British team take victory after two hours of late night fun.

## Counselor Volleyball v Kawaga

By Zach Sosnow and Editor  
Menominee 2, Kawaga 0 (25-11, 25-11)

It was a beautiful sunny afternoon at CM. During rest period most of the camp descended onto the sand volleyball court behind Cabins 3 and 4 to watch our counselors go toe to toe against Kawaga. Menominee were looking for back to back wins against the opposing camp and were feeling very confident thanks to the newest addition to the team – **ADAM BALTZ**, who had spent the previous two days teaching positioning and movement on the court during play and service. Menominee took an early commanding lead and led 7-2 thanks to some fantastic serves from **MARC GOODMAN** and great setting from **BENJIE SOREN**. The counselors were setting a great example to our campers as they were putting on a fantastic display of teamwork and sportsmanship throughout the game. As the first set came to an end, the Menominee team were working extremely well together and were sharing the workload between all players to keep Kawaga guessing. **ETHAN WEISS** and **ISAAC WEISS** were doing a brilliant job of blocking shots and spiking the ball and eventually worked together to gain the final point needed to take the first set 25-11. Lucky Canteen Number 76. Going into the second set, Menominee pilled on the pressure and maintained their momentum as they raced out to an 8-1 lead. **JEREMY KOHLENBRENER** was doing a fantastic job of keeping the team motivated and ensuring they kept their heads in the game even if they dropped a point. At 12-4, Kawaga floated the ball towards the Menominee side of the net and as they did **BRETT WEISS** leaped up to spike the ball hard into the ground. This once again sent the watching campers into a new chant of “BRETT WEISS, BRETT WEISS has a great spike”. Menominee kept up the pressure and were soon at match point which was rightly won by **ADAM BALTZ**, who led Menominee to the convincing win.

## 4<sup>th</sup> of July Social

By Editor

To celebrate the 4<sup>th</sup> of July, Camp Marimeta were kind enough to invite the Menominee boys over for a night of socializing and fireworks. As the boys arrived, the girls were singing and dancing and you could see that both camps had dressed in their best American themed attire to celebrate Independence Day. **LUKE MASON** was wearing an American themed face mask, **DRAKE ELMAN** matched his sister with red, white and blue face paint and **SHANE O’RIORDAN**, **DANIEL WAITE** and **JOHNNY PAYNE** were just some of our international staff who wore the craziest outfits they could. Once the sky became dark, everybody headed towards the waterfront for the fireworks display, which mesmerized the crowd. Once the fireworks concluded, everybody sang Marimeta’s goodnight song and ‘Taps’. This was a perfect way to conclude the 4<sup>th</sup> July and we thank the girls for their hospitality.

Our International Staff ready for the 4<sup>th</sup> July festivities

## King of the Camp Swim Meet

By Marc Goodman

It was a windy day out on Sand Lake for the second ever edition of the King of the Camp Swim Meet. With the tough conditions, all four teams knew they would need to show their best swimming. In the 12 and under age division **RAY DONG** came in first in the 50m backstroke for the Phoenix, but it was the Dragons who took the 200m relay thanks to **FINN FELDMAN**, **JONAH FELDMAN**, **JACK WALTERS** and **LEXX MALKIN**. In the 13 and over age division, the Dragons took the 50m breaststroke and backstroke thanks to strong efforts from **DANIEL MALIS** and **CHARLIE RATTERMAN**. The Dragons and Phoenix swam a close race in the relay with it coming down to the anchors, **AUGIE FLICK** and **CHARLIE**. The dragons won by a hair and took overall first place in the swim meet.
